## Register Today for Aim Roundtables!

Regularly, Aim hits the road to talk with members about what's going on in their communities. One of the ways we do this is via our Aim Roundtables. In these regional roundtables, municipal leaders share their successes, bring up their concerns, and ask plenty of questions. You will return home energized, full of innovative ideas, and ready to face your challenges. Each edition of Aim roundtables includes plenty of opportunities where you can get technical assistance, and get connected with other leaders from across your region. If you haven't been to an Aim Roundtable the time is now!
