

Voting Delegate Designation Form

The Aim Constitution provides that every member city or town represented at the Aim Ideas Summit, its annual conference, shall be entitled to vote. On October 12, 2017, at the closing business session, city and town designated delegates will elect Aim's officers and Board of Directors, adopt a policy platform and consider any other propositions presented. Although candidates, policy platform and other propositions will have been provided, additional actions or nominations may be made from the floor in accordance with the Summit Rules during the session. Summit Rules and Procedures are available at the Aim office and in the conference program.

The Mayor of a city designates the city's voting delegates and alternates. The Town Council President (TCP) of a town designates the town's voting delegates and alternates. Only an elected official or employee from that city or town registered for the Summit may be designated as a delegate. The Mayor or TCP may designate him/herself as a delegate if he/she wishes to vote. The number of designated delegates is limited by the population of the city or town. Proxies are not allowed.

The Mayor or TCP can only designate the appropriate number of voting delegates as follows (population is based upon the last decennial or special census):

Cities	Delegates	Towns	Delegates
Third-class city of less than 2,000 people	1	Towns of less than 2,000 people	1
