MAYORS INSTITUTE

March 22 - 23, 2018 Launch Fishers, Fishers

Mayors Institute is a high-level learning experience, designed exclusively for mayors. The Institute is a partnership between Aim and the Indiana Communities Institute (ICI) at Ball State University that's helped to make the program better than ever before.

By participating in the Institute, mayors will gain practical tools that can be applied to the real-life challenges public officials face on a daily basis. During this day and a half program guest speakers and Aim staff will present an agenda of highly substantive sessions that will lead mayors through unique leadership and problem solving exercises with their colleagues from across the state. Featuring many opportunities for the sharing of innovative, effective strategies to run city government, Mayors Institute sessions are timely, relevant and essential.

Aim and ICI will host Mayors Institute, March 22-23, in Fishers. All Hoosier mayors are invited to participate in the Mayors Institute to achieve certification in this exciting city leadership program.

PARTICIPATION AND RECOGNITION IN CITY LEADERSHIP

All Indiana mayors are strongly encouraged to attend at least two Mayors Institute sessions each year. Aim and ICI will award mayors a Certificate of Achievement in three levels. Achievement will be measured by participation and attendance at the Mayors Institute sessions. Additionally, mayors that have reached Indiana City Leadership Ambassador status are eligible for an advanced level: Indiana City Leadership Executive.

For more information on Mayors Institute Certificates of Achievement, visit www.aimindiana.org.

AGENDA

THURSDAY, M	IARCH 22	2:15 p.m. –	State and Local Partnership with the Indiana		
8:30 a.m. – 9:30 a.m.	Registration	3:15 p.m.	Civil Rights Commission		
9:30 a.m. – 9:40 a.m.	Welcome & Introductions		Join Indiana Civil Rights Commission (ICRC) Deputy Director and General Counsel, Doneisha Posey, for an overview of the Indiana Civil		
9:40 a.m. – 10:45 a.m.	The Next Generation of Stellar and Other OCRA News		Rights Commission. City leaders will also take an in-depth look at how their city can collabo- rate with the ICRC in eradicating discrimination		
	The Lieutenant Governor recently announced some developments in the Stellar Communities Designation Program. In an effort to spread the initiative's impact even farther than it is today, the award-winning program is undergoing a transformation that takes a more regional		and educating local leaders on the rights and responsibilities of their constituents under the Indiana civil rights laws.		
			Doneisha L. Posey, Deputy Director & General Counsel, Indiana Civil Rights Commission		
	approach than in year's past. Attendees will	3:15 p.m.	Break		
	learn about the program's evolution and how their city could benefit from the changes. Also on tap, what you can expect from OCRA in the	3:45 p.m. – 4:30 p.m.	Compliance with Common Construction Wage and Public Construction Laws		
	coming months and years as they complete an extensive listening, visioning and planning process.		Common construction wage laws have changed in recent years. And, the options for public con- struction, such as design-build, P3s, and energy

Ball State University Indiana Communities Institute (ICI)

ICI addresses the modern challenges of economic development through community-based strategies for sustainable growth. Although their efforts focus on strengthening communities throughout Indiana, this strategy serves as a model for university economic development efforts across the nation. The research-policy-practice framework allows ICI to tap into talent and resources from research and outreach units across campus. ICI's partnerships lead to informed, effective projects and strategies that bring development efforts into the 21st century.

Accelerate Indiana Municipalities (Aim)

Ever since the 1890s, Aim, formerly the Indiana Association of Cities and Towns, has been an advocate for Indiana municipalities. Aim is the official voice of municipal government in Indiana, with more than 460 cities and towns as members. Our purpose is to foster, promote and advocate for the success of Hoosier municipalities as laboratories of innovation, hubs of talent and the engines driving our state's economy.
