

Aim Ideas Summit Rules and Procedures

Part I. DEFINITION

Aim means the Indiana Association of Cities and Towns doing business as Accelerate Indiana Municipalities, Aim, and is an unincorporated association of member municipalities governed by its Constitution, its elected officers and its Board of Directors or “Aim Board”.

The **Ideas Summit** or “**Summit**” is the annual conference for members provided for in the Aim Constitution.

The **Summit Committee** is a committee of one or more delegate(s) with a Chairman or “Chair” appointed by the Aim President who will serve to determine whether a person is a delegate and eligible to vote, to interpret these conference rules and procedures or Summit Rules and to participate in the Aim business sessions including the Policy Platform Hearing at the Ideas Summit as provided in these Summit Rules and Procedures by a majority vote of those committee members present.

The **Policy Platform Hearing Chair** is the Chair of the Summit Committee or designee as announced to the Ideas Summit attendees. The Summit Registration Desk will have the ability to locate the Summit Committee and its Chair.

Times listed in the Summit Rules are the current local time at the Ideas Summit.

II. VOTING

Voting Delegates

Pursuant to the Aim Constitution, all voting delegates must be designated as a delegate in order to vote. The Aim Board has the duty to establish rules and procedures to conduct the annual membership meeting of Aim member cities and towns. The following criteria determines a person's delegate status and eligibility for voting at the Ideas Summit Closing Lunch and Business Session and to participate at the Policy Platform Hearing, the Opening Business Session and as otherwise provided by these Summit Rules:

- A. The person must be registering for and as a representative of the member municipality and not primarily as a corporate member. A member municipality is a city or a town that has paid Aim membership dues for the current calendar year. A corporate partner holds membership of Aim that is a non-voting class of membership.
- B. The person must be representing the Aim member from one of these categories:
 - 1) An elected official or
 - 2) A selected official following a vacancy in an elected position or
 - 3) An appointed official such as a municipal board or commission member or
 - 4) A full time employee of the municipality or
 - 5) A person who is appointed to serve in a position created by ordinance or state law and not just a contractor of the municipality and whose service to the member municipality was declared upon registration and the declared member municipality is the predominate local government entity with which the person serves.

Voting delegate designations will be preliminarily determined at the time of registration for the Ideas Summit by Aim staff. Each designated delegate will receive his/her credentials at the Conference Registration Desk. The credentials will be in a form that is readily recognizable as a designation on the delegate's conference name badge. The Aim staff at the Conference Registration Desk can make reasonable accommodations when advisable so that other conference delegates are known if not readily apparent.
