Register for an Aim Fall Roundtable!

Regularly, Aim hits the road to talk with members about what's going on in their communities. One of the ways we do this is via our Aim Roundtables. In these regional roundtables, municipal leaders share their successes, bring up their concerns, and ask plenty of questions. You will return home energized, full of innovative ideas, and ready to face your challenges. Each edition of Aim roundtables includes plenty of opportunities where you can get technical assistance and connect with other leaders from across your region. If you haven't been to an Aim Roundtable, the time is now!

PROGRAM (Based on Local Time)	
5:00 p.m. – 5:30 p.m.	**Registration**
5:30 p.m. – 6:00 p.m.	**Welcome and Introductions** **Aim Report** Aim staff will give a preview of the 2019 legislative session and some events and webinars you won't want to miss. As usual, feel free to ask any questions you brought for us!
6:00 p.m. – 7:00 p.m.	**Food and Facts** Once dinner is served, we'll begin with a brief presentation regarding access to broadband, available funding, and an update on what's happening at the Federal level. The discussion will led by former Nashville Town Manager and current State of Indiana Director of Broadband Opportunities, Scott Rudd.
7:00 p.m. – 8:00 p.m.	**News from the Front** Nominate a person from your community to give a brief report to let everyone know about an exciting project, recent success, or challenge you're facing. We'll also hear from any special guests representing state and federal government.
