Dear Supporter,

Participating in a Trust Local event is always a fun, low-key way of spending time with local officials and learning more about how the decisions they make impact Hoosiers. If you've never attended a Trust Local event I believe you will leave feeling inspired and proud of your municipal leaders. During the event here is time to catch up with old friends, create new connections, learn about the projects happening across our state, and have some fun in the process. Professional (or any) golf skills are not required. Please make plans to attend and sponsor this year's outing!

Dave Snow, Richmond Mayor and ICOM President
