

## ABOUT THE AWARDS

The Aim Youth Councils Network Awards Program honors leaders in Indiana who are making big differences in their cities and towns through municipal youth councils! The program provides participants of municipal youth councils the opportunity to receive well-deserved recognition for their work and offers examples of projects and leadership in other communities.

Awards will be presented during the 2019 Aim Youth Leadership Summit, Saturday, February 16, at Indiana University, Bloomington. A panel of municipal government experts from the public and private sectors serve as judges for the awards and rate the applications on the given criteria.

All award submissions must be completed by student members of municipal youth councils with the exception of Youth Council Member of the Year.
