Dear Supporter,

In 2012, the Indiana Conference of Mayors launched Trust Local as a means for changing the debate in the Indiana General Assembly. The campaign is designed to educate multiple audiences on the importance of local decision making through legislation and thoughtful public policy. Utilizing targeted sponsorships, personal outreach and many other tools, ICOM continues to cooperate with lawmakers and thought leaders to show them how putting more faith in Indiana’s municipalities helps move Indiana forward.

ICOM hosted the first-ever Trust Local golf outing in 2013. It was a successful event and has grown steadily each year. While most Trust Local golf outings since have been held in Kokomo, this year we are making a significant change! We are heading a little farther south and meeting up in Fishers and trying our hand (and swing) at Topgolf.

Participating in a Trust Local event is always a fun, low-key way of spending time with local officials and learning more about how the decisions we make have

a positive impact on the people we serve. If you’ve never participate in a Trust Local event I believe you will leave feeling inspired and proud of the work we all do in service to our constituents and each other. Please make plans to attend and sponsor this year’s event!

Dave Snow, Richmond Mayor and ICOM President
