## Register for an Aim Spring Roundtable!

Regularly, Aim hits the road to talk with members about what's going on in their communities. One of the ways we do this is via our Aim Roundtables. In these regional roundtables, municipal leaders share successes, seek solutions, and ask plenty of questions. You will return home energized, full of innovative ideas, and ready to face your challenges. Each edition of Aim roundtables includes opportunities for technical assistance and Aim works closely with the state's regional councils to identify common issues around the state to better serve our small communities. Thank you to our partners at IARC for supporting Aim roundtables in this heightened fashion.

If you haven't been to an Aim Roundtable, the time is now to connect with other leaders from around your region, have a good meal, and enhance your skills!

PROGRAM (Based on Local Time)	
5:00 p.m. – 5:30 p.m.	<b>Registration</b>
5:30 p.m. – 6:00 p.m.	<b>Welcome and Introductions</b>  <b>Aim Report</b> Aim staff will give updates about the 2019 legislative session and some events and webinars you won't want to miss. As usual, feel free to ask any questions you brought for us!
6:00 p.m. – 7:00 p.m.	<b>Food and Facts</b> Once dinner is served, we'll begin with a brief presentation from a Local Technical Assistance Program (LTAP) representative regarding asset management planning, pavement ratings, their new data management portal, and the state's annual operations reporting requirements. Time permitting, they'll discuss how the asset management planning concepts needed for the Community Crossings program can be useful in other areas of municipal government.
7:00 p.m. – 8:00 p.m.	<b>News from the Front</b> Nominate a person from your community to give a brief report to let everyone know about an exciting project, recent success, or challenge you're facing. We'll also hear from any special guests representing state and federal government.
