

IMLA—A valuable Resource for City, County & Town Attorneys:

IMLA was formed in 1983

- ◆ to collect and disseminate information on matters of concern to attorneys practicing in the field of municipal law,
- ◆ to promote the continuing education of attorneys on issues affecting municipal law, and
- ◆ to provide forums for attorneys practicing municipal law to meet and exchange ideas and professional experience.

IMLA is a not for profit corporation that is also an affiliate of the Aim – Accelerate Indiana Municipalities which provides contracted services to IMLA.

IMLA publishes newsletters and electronic notices during the year that highlights recent changes in the law, both legislatively and case law.
