

**POSITION DESCRIPTION
WASTEWATER DEPARTMENT OPERATOR I
TOWN OF ZIONSVILLE, INDIANA**

GENERAL PURPOSE AND DUTIES

This position performs routine operations and maintenance tasks in the wastewater treatment plant. Entry level position. Will learn all aspects of wastewater treatment in a great Town environment.

SPECIFIC REQUIREMENTS

Working under the guidance of senior plant staff, this position performs specific tasks in unit operations, process monitoring, routine maintenance, and general housekeeping.

SPECIAL CONSIDERATIONS

The nature of the work in the Wastewater Department requires personnel to be available on an emergency basis and to work extended hours as required. Other situations of a non-emergency nature will require activity beyond the normal work day. Once fully trained will be in the weekly rotation for on call and weekend duties and will also be added to the holiday schedule as the treatment plant is open and operates 365 days / year.

QUALIFICATIONS

This position requires a high school diploma, or equivalent, plus the ability to lift, walk, and climb in all plant conditions. No prior experience is necessary. Good work ethic needed and not afraid to get dirty. Opportunities for advancement are available.
