Dear ADA & Title VI Coordinators,

Your Indiana ADA & Title VI Coordinator’s Association (Association) continues to grow and provide valuable training, resources, and solutions to Indiana communities of all sizes and demographics, everyone has a “seat at the table”. We are most fortunate to have a stellar relationship with Accelerate Indiana Municipalities (Aim). They serve as our fiscal agent and provide us with the technical and administrative resources we would not be able to provide on our own.

We also have a most valuable relationship with the Association of Indiana Counties (AIC), they too offer our members assets and contacts so very important to our success. Additionally, our partnership with INDOT and Federal Highway continues to flourish, providing unprecedented access to expertise, experience, and expectations.

While we are experiencing increasing costs everywhere, we are so happy to provide this membership at an exceptional value of $25.00 per person.

We also provide professional and business sponsorship opportunities for vendors. Please share our information with your partners.

You continue to make a difference in your communities and we are honored to support your efforts.

Highest Regards,

Ashley Lowe
