Register for an Aim Spring Roundtable!

Regularly, Aim hits the road to talk with members about what's going on in their communities. One of the ways we do this is via our Aim Roundtables. In these regional roundtables, municipal leaders share successes, seek solutions, and ask plenty of questions. You will return home energized, full of innovative ideas, and ready to face your challenges. Each edition of Aim roundtables includes opportunities for technical assistance and Aim works closely with the Indiana Association of Regional Councils (IARC) to identify common issues around the state to better serve our small communities. Thank you to our partners at IARC for supporting Aim roundtables in this heightened fashion.

If you haven't been to an Aim Roundtable, the time is now to connect with other leaders from around your region, have a good meal, and enhance your skills! Our fall 2019 series was concentrated in the northern part of our state. This series will be held in South Central and Southern Indiana. We'll head North and South in the fall!
