The above summary includes a link to each Executive Order related to the current public health emergency in the column labeled "Executive Order". The "Subject" column includes a brief list of the subject matter included in the Executive Order. The "Issue Date" column lists the date the Executive Order was issued. The "Original Expiration" column lists the date the Executive Order was originally meant to expire with the next column labeled "Section" meant to highlight select sections from the Executive

Order that deal with dates related to deadlines or other various termination dates found in the Executive Orders that differ from the termination date. The final two columns list the Executive Order that extends the Executive Order first listed in the related row with the updated termination date.

The foregoing summary expresses the professional judgment of the attorneys participating in the consideration of this matter as to the legal issues addressed in this summary and the preparation of this summary. This summary involves complex questions of law and by expressing our views on these issues, the attorneys that prepared this summary do not become an insurer or a guarantor of that expression of professional judgment, nor does the rendering of these views included in this summary guarantee the outcome of any legal dispute which may arise. No party or person is entitled to rely on this summary as legal advice without the preparer's express written consent.

---

\* EO 20-22 explicitly set EO 20-04, 20-09, 20-10, 20-11 and 20-14 to terminate May 1
