## Register for a Virtual Aim Spring Roundtable!

There is a lot that Indiana's towns and cities have in common and collaboration with one another is among the many things driving Indiana's economy. Twice each year, Aim gathers leaders from Indiana's towns and smaller cities to touch base with a purpose of building relationships, strengthening regional ties, and hearing from state agencies and experts in topics of great interest to our more rural communities. The good food and conversation is usually a bonus of these events. While the past year has hindered our travels and we haven't been able to meet over a meal, maintaining our connections has remained a priority. We look forward to seeing you online this spring as we continue to grow and nurture quality communities in every corner of our state.

This event wouldn't be possible without the support of our sponsors. Please thank Baker Tilly Municipal Advisors, LLC, Commonwealth Engineers, Inc., Performance Services, Inc., and Wessler Engineering for their steadfast support of Aim and the Aim Roundtables for towns and small cities.

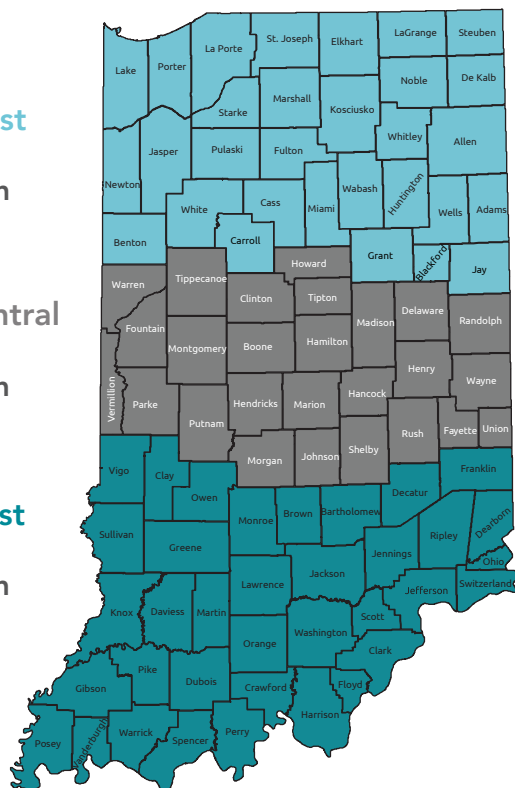

PROGRAM (All times are Eastern)	
2:00 p.m.	<b>Sign into Aim Roundtable via Zoom Meetings</b>
2:05 p.m. – 2:35 p.m.	<b>Welcome and Introductions</b>  <b>Aim Report</b> Aim staff will give a preview of current events, legislative happenings, and upcoming educational opportunities you won't want to miss. As usual, feel free to ask any questions you brought for us!  <b>Aim Roundtable Sponsors</b> Aim Roundtable Sponsors will spend a few minutes introducing themselves and providing some key information about their services that you will want to know.
2:35 p.m. – 3:15 p.m.	<b>Targeted Training: How to Address Inflammatory, Negative or Extreme Comments and other Expressions while Honoring the Constitution</b> Civic engagement, in many ways, has been made easier by the ongoing global pandemic with more people turning to the internet for public meetings, hearings and discourse. It has, however, presented some challenges for public entities when an exchange turns contentious or disrespectful. Our featured speakers will discuss how to foster this new level of engagement while being mindful of the First Amendment.  <b>Speakers:</b> Chou-il Lee, Partner, Taft Law; Kaitlin Voller, Associate, Taft Law; Robert Vane, President and Chief Executive Officer, Veteran Strategies, Inc.
3:15 p.m. – 4:00 p.m.	<b>News from the Front</b> Nominate a person from your community to give a brief report to let everyone know about an exciting project, recent success, or challenge you're facing.
