### Update! **This vaccine site has Moderna only**

When searching the list of vaccination sites at [OurShot.IN.gov](#), you will now see an alert like the one above that explains which vaccine type the site will likely have.

### Avoid vaccine scams

Make sure that you are getting COVID-19 vaccine information from reliable sources. Educate yourself with this [article by the Better Business Bureau.](#)

### Big Clinics = Big Success!

All of our recent mass vaccinations clinics have filled 100% of their appointments! Our first two clinics at the Indianapolis Motor Speedway and Ivy Tech in Sellersburg were full, and upcoming events in Gary and the University of Notre Dame in South Bend are also booked.

5,400 people vaccinated in Sellersburg

Keep an eye and ear out for future large-scale clinics around the state.

- [Indiana Areas on Aging](#) and AARP offices are assisting seniors make their vaccine appointments.
- Report any adverse effects from any vaccine to the [Vaccine Adverse Effect Reporting System \(VAERS\)](#).

# COVID-19 VACCINE

## Snapshot

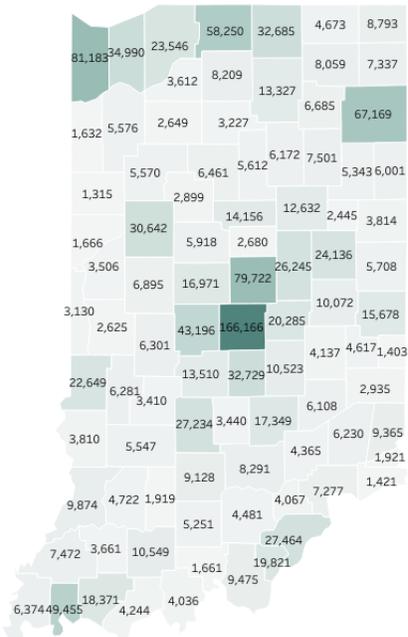

Indiana  
Department  
of  
Health

Total Individuals Who Have Received a First Dose:

# 1,356,761

Total first doses

Total individuals Fully Vaccinated

# 890,159

Individuals are fully vaccinated after their 2nd dose of Pfizer or Moderna vaccine, OR after a single dose of Johnson & Johnson vaccine.

Total Fully Vaccinated

Here are the latest percentages of people who have scheduled or received a vaccine by age group. These percentages include nearly **145,000** first and second doses administered to residents and staff in long-term care facilities.

- 72% of Hoosiers 80+
- 75% of Hoosiers 70-79
- 63% of Hoosiers 60-69
- 43% of Hoosiers 50-59
- 23% of Hoosiers 45-49 (first two days of eligibility)

## Who's eligible next

Waitlists should only reflect who's next in our [eligibility guidelines](#). **Indiana's upcoming eligibility group:**

- Age 40 – 44

*"Indiana has administered more than 85 percent of the doses we have received, which is above the national average of 80 percent."*

Dr. Kristina Box, Indiana State Health Commissioner

## Homebound Hoosiers:

About 2,500 fellow Hoosiers are represented in this system to reach out to individuals in their homes. So far, 300 residents have received vaccines and 145 are scheduled thanks to help from local EMS partners. Contact your local health department or [Area Agency on Aging](#) if you are eligible for vaccination and homebound.

## Upcoming mobile clinics:

### Counties:

- Elkhart
- Tippecanoe
- Floyd counties

Watch for more details.
