GRAND PARK

SPORTS CAMPUS

COVID RESPONSE PLAN

Guidelines for Visitors & Organizers | 3.1.21

PURPOSE | The following procedures and guidelines are to give an operational perspective on how the Grand Park Sports Campus is addressing the COVID-19 global pandemic. Modifications to protocols, with an emphasis on compliance, have been made and will continually be updated to maximize the health and safety of visitors to Grand Park while supporting the reactivation of youth sports.

1) GENERAL GUIDELINES

a. Guest Information

- Safety screenings will be required for all Events Center guests upon building entry and will be conducted via touchless technology. The electronic thermometer system utilized will allow Grand Park to safely detect and trace body temperatures, as well as masks/face coverings, with optimal ease of use for visitors.
- Attendance is limited to participants, required personnel, and parents, guardians, siblings, spouses and minor children of participants or personnel.
- All visitors must maintain social distance with others (*non-family*) while watching events, visiting concessions and in restrooms.
- Full-cloth face masks or coverings are mandatory for all visitors inside the Grand Park Events Center.
- Many sanitizing stations have been installed between fields throughout campus. Guests are encouraged to utilize sanitizing and handwashing facilities often.
- All monetary transactions are now cashless.
- Patrons are not allowed to tailgate prior, during or after an event. All athletes and spectators are strongly encouraged to leave campus immediately following the conclusion of their practice/game.
- There will be no “high fives” or “fist bumps.” Tip of cap or team salute recommended at conclusion of games.
- If you or a family member do not feel well, please avoid coming to Grand Park.
- Individuals 65 and older and those with known high-risk medical conditions are encouraged to remain cautious and stay home when able.
- Visitors can contact the **Grand Park Safety Response Team** with questions or concerns 24/7 at gpsafety@westfield.in.gov / 317-503-0525

b. Staff & Volunteer Screening

- Grand Park Staff & Volunteers will complete a health screening before each shift on campus. This includes checking temperatures and answering a list of symptom screening questions (*Refer to Grand Park’s COVID-19 Symptom Check Form*).
- All staff and volunteers will wear masks, as well as carry hand sanitizer and cleaning wipes in golf carts at all times.

c. Compliance

- Grand Park Staff and/or designated Safety Team Event Leader will assemble a Safety Team for each event.
- The Safety Team will be utilized to ensure all visitors and event organizers are following campus guidelines.
- Each member of the Safety Team will complete training to become familiar with all campus guidelines.
- One Safety Team Leader will be on campus at all times during events. At high volume times, additional volunteers will be utilized.
- Attendance Monitors will monitor areas within the facility, ensuring social distancing is taking place and masks are being worn. The Event Organizer will take responsibility for staffing Attendance Monitors at designated areas.
- The Safety Team, in partnership with Event Organizers, will monitor the adherence of safety guidelines campus-wide – specifically ensuring all visitors wear masks and maintain social distancing. If any visitor purposefully does not comply with any safety guideline as approved by the local health department, the visitor will be kindly asked to leave the premises. Failure to do so could result in the Westfield Police Department being called to trespass the individual that is not willing to comply.
- Signage has been distributed throughout campus on each pathway and common area to promote social distancing, hand washing, etc.
- At the end of each event weekend, the City of Westfield will submit a recap report to the Hamilton County Health Department detailing positive developments and any issues and subsequent actions that might have occurred.
- Grand Park will submit all safety plans to the Hamilton County Health Department.

2) SPORT GUIDELINES

a. General Protocols for Sport Event Organizers

- All event organizers must be aware of state and local regulatory agency policies related to group gatherings to determine if events can be held (*i.e. governing bodies*).
- All event organizers at Grand Park will designate a staff member to serve as your COVID-19 Point of Contact.
- Event organizers will communicate campus guidelines to all coaches, athletes, and spectators, and require this information to be shared via Coaches' communications and social media. Guidelines include the following three general topics and sport-specific protocols as listed below:
 - Across campus social distancing guidelines are monitored.
 - Individuals 65 and older and those with known high-risk medical conditions are encouraged to remain cautious and stay home when able.
 - Grand Park adheres to Indiana's statewide mask mandate. Face coverings are required inside the Grand Park Events Center.
- All event organizers must require training for event staff and coaches for COVID-19 prevention and response.
- Team rosters must be readily available.
- Restroom facilities will be disinfected every hour.
- Patrons are not allowed to tailgate prior, during or after an event.
- Individual athletes are not to share equipment, food or water bottles.
- There will be no "high fives" or "fist bumps." Tip of cap or team salute recommended at conclusion of games.
- Event Vendors are required to wear masks. They must work closely with Grand Park Staff to determine appropriate positioning of activation that allows for social distancing.

b. Protocols by Sport

- **SOCCER / LACROSSE / FOOTBALL**
 - No team or official benches will be available
- **BASEBALL/SOFTBALL**
 - Dugouts will be open when social distancing is possible
 - Bleachers will be available and marked to accommodate social distancing

3) BUILDING GUIDELINES

a. Grand Park Events Center (GPEC)

- Masks are required inside GPEC.
- Bleacher usage will be open to spectators on a limited basis. When used, visitors must adhere to signage and sit in the designated areas as marked to remain social distanced.
- Turf will be disinfected each week.
- All visitors will enter through the main doors (door 1). All visitors will exit through side doors (doors 5, 6, 7, 22, 23, 24).

b. Capacity for field space (non-sporting events).

- Hamilton County Advisory Status:
 - a. **Orange:** 25% of facility capacity
 - 1,400 per field
 - b. **Yellow:** 50% of facility capacity
 - 2,800 per field
 - c. **Blue:** 100% of facility capacity
