

Join Us in Carmel for the 2021 RAI Site Tour

Thursday, July 29

10:00 am—3:30 pm EDT

This year's RAI Site Tour will be in-person in the host city of Carmel — a city that has taken "Quality of Place" to the next level! You're invited to join a walking tour of city projects and have the opportunity to learn more about them — how the projects were planned, financed and developed. We'll start the morning at city hall with a welcome from Mayor Brainard at 10:00 a.m., then, we'll start the walking tour with a break mid-day for a boxed lunch at the Palladium in conjunction with a short RAI business meeting. The tour will conclude around 3:30 p.m. Remember to wear comfortable shoes and clothes as we will be walking close to three miles over the course of the day.

Do you want to attend?

Great! We'd love you to be there!

The event is free. If your municipality, county or company is an RAI member, anyone from your organization can sign up. Simply RSVP to rcook@aimindiana.org by July 20th, so we can get a firm count for logistics and lunch purposes.
