Register for an Aim Fall Roundtable!

There is a lot that Indiana's towns and cities have in common and collaboration with one another is among the many things driving Indiana's economy. Twice each year, Aim gathers leaders from Indiana's towns and smaller cities to touch base with a purpose of building relationships, strengthening regional ties, and hearing from state agencies and experts in topics of great interest to our more rural communities. The good food and conversation is a bonus of these events!

This event wouldn't be possible without the support of our sponsors. Please thank Baker Tilly Municipal Advisors, LLC, Commonwealth Engineers, Inc., Performance Services, Inc., and Wessler Engineering for their steadfast support of Aim and the Aim Roundtables for towns and small cities.
