Dear Municipal Human Resource Professional:

I invite you to join the Indiana Municipal Personnel Administrators for Cities and Towns (IMPACT). Whether you are new to the HR field, have many years experience, or have the responsibility of HR, we can help provide a network for municipal human resource professionals by offering educational and networking opportunities for exchanging and obtaining valuable HR knowledge and professional development.

IMPACT is an affiliate group of Accelerate Indiana Municipalities (Aim), and we first began our group in 2001. Our purpose exists to provide a network for municipal human resources professionals to:

- Foster professional development through training and information sharing
- Better define the role of the human resources function in municipal government
- Stimulate and encourage interaction among human resources professionals to share information and provide expertise to one another and to other municipal officials
- Share resources through personal interaction and the creation of a personnel management resources bank, and through our IMPACT “list-serve”
- Promote the profession of local government human resources management

Enclosed you will find the 2022 IMPACT membership form for your completion. Please send form and payment to the following address:
