

2023 AIM ANNUAL AWARDS PROGRAM

The Aim Awards Program honors communities and individuals for outstanding achievement, successful innovation, and steady leadership in municipal government. The program provides Aim members the opportunity to receive well-deserved recognition for their work and offers examples for projects and leadership in other communities.

Awards will be presented during the 2023 Aim Ideas Summit, August 22-24, in French Lick. Community award winners will be presented during the Annual Awards Luncheon on Wednesday, August 23. Individual award winners will be honored at the Presidents' Reception on the evening of Wednesday, August 23.

A panel of former municipal officials and municipal government experts from the public and private sectors serve as judges for the awards and rate the applications on the given criteria.

COMMUNITY AWARDS

PLACEMAKING

The Placemaking Award highlights completed programs or projects that have been implemented and demonstrate new approaches for solving municipal challenges. Placemaking projects also exemplify the positive impact of planning, regeneration, or economic development work on the physical quality of a place, as well as the economic and social well-being of a community. Nominations must have a physical component that has been completed within the last year. Awards are presented in multiple population categories based on nominations received. Winners of an Aim Placemaking Award will be featured in a short, professionally produced video.

PROGRAM INNOVATION

The Program Innovation Award honors communities that introduced and executed new ideas and methods to carry out municipal activities. Awards are presented in multiple population categories based on nominations received.

GREEN PROJECT OF THE YEAR

The Green Project of the Year spotlights a program or project that has been implemented in the past year and demonstrates green programs, sustainable development, energy conservation, or environmentally-conscious decisions.

NOMINATION PROCESS

Nominations should include all of the following:

1. The official nomination form signed by an elected municipal official who is from an Aim member community in good standing. Emailed entries must be from an elected municipal official's address.
2. At the time of nomination, projects and programs should have been completed within the last year.
3. A summary no longer than two pages in length.
4. No more than four digital photographs, graphics, or other printed visual items.
5. Limit supporting materials to those that best explain or summarize the program or individual.

All entries must be received by **Friday, May 26**.

Upon reviewing all nominations, Aim reserves the ability to move a nomination into a different award category.
