HB1060 ENVIRONMENTAL SCRUTINY BEFORE PROPERTY TRANSFER (AYLESWORTH M) Requires a qualified inspector to inspect a residential onsite sewage system (residential system) before a sale of a dwelling connected to the residential system. Requires that the sales disclosure form must disclose if the inspection indicated that the residential system is failing. Provides that a failure of the owner of the dwelling to satisfy the notice requirement makes transfer of ownership of the dwelling voidable at the election of the buyer even after the closing. Requires a qualified inspector to inspect a commercial onsite sewage system (commercial system) before a transfer of the nondwelling structure connected to the commercial system. Requires that the results of the inspection must be disclosed to the local health department, the county recorder, and the transferee. Requires that the transferee must present to the county recorder an affidavit stating that the cause of the commercial system failure has been eliminated or will be eliminated

before the transferee uses the nondwelling structure for the transferee's intended purpose. Provides that the county recorder may not record a deed transferring the nondwelling structure unless certain requirements are satisfied. Provides that the failure of the nondwelling structure owner to provide the required documents is a complete defense to an action for breach of contract to purchase the nondwelling structure and is a breach of a legal duty for which the transferee may bring civil action for compensatory damages. Requires water from a water well to be tested by a qualified tester before transferring a lot containing both a water well and a dwelling connected to a residential onsite sewage system. Requires that the test results must be disclosed to the local health department, the county recorder, and the transferee. Provides that the county recorder may not record a deed transferring the lot unless certain requirements are satisfied. Provides that the failure of the lot owner to provide the required documents is a complete defense to an action for breach of contract to purchase the lot and is a breach of a legal duty for which the transferee may bring civil action for compensatory damages. Makes certain exceptions. Requires the Indiana department of health to adopt rules to: (1) establish requirements and standards for inspections of residential onsite sewage systems and commercial onsite sewage systems and testing of water wells; and (2) establish qualifications for inspectors of residential onsite sewage systems and commercial onsite sewage systems and testers of well water.

Defines a "firearms code" as a merchant category code approved by the International Organization for Standardization specifically for firearms retailers. Provides that in a payment card transaction, a merchant acquirer or a payment card network may not: (1) use; or (2) require the use of; a firearms code in a way that distinguishes a firearms retailer with at least one physical location in Indiana from general merchandise retailers or sporting goods retailers. Prohibits a financial services provider from declining or otherwise refusing to process a lawful payment card transaction based solely on the assignment or nonassignment of a firearms code to the payment card transaction. Prohibits a financial services provider from disclosing a financial record that: (1) is related to a payment card transaction; and (2) includes protected financial information, including a firearms code used, collected, or assigned in violation of the bill's provisions. Specifies that the bill's provisions apply only to a payment card transaction that is initiated after June 30, 2024: (1) at a firearms retailer's physical location in Indiana; or (2) on an online platform if the purchaser is an Indiana consumer and the seller is a firearms retailer that: (A) has at least one physical location in Indiana; or (B) does not have at least one physical location in Indiana if the firearm purchased will be shipped: (i) to another firearms retailer's physical location in Indiana and transferred to the Indiana consumer at that location; or (ii) directly to the Indiana consumer at the Indiana consumer's Indiana address. Requires the attorney general to investigate any alleged or suspected violation of the bill's provisions and, upon finding a violation, to provide written notice to any person, public or private, found to be in violation. Provides that upon receiving a written notice from the attorney general of a violation, a person has 30 calendar days to cease the violation. Requires the attorney general to seek injunctive relief in a court having jurisdiction for continued violations of the bill's provisions. Provides that if a person violates an injunction issued by a court, the attorney general shall

petition the issuing court for a civil penalty not to exceed \$10,000 per violation of the injunction. Sets forth certain factors that a court must consider in determining the amount of the civil penalty. HB1112 DISCRIMINATORY APPRAISAL PRACTICES (PRYOR C) Adds the following to the duties of the homeowner protection unit (unit) of the office of the attorney general: (1) Cooperating with law enforcement agencies in investigating violations of the federal Fair Housing Act. (2) Investigating and enforcing: (A) existing law prohibiting improperly influencing the preparation of a real estate appraisal; and (B) provisions prohibiting discriminatory practices in the appraisal of residential real property. Prohibits a person whose business includes appraising residential real property from making an excessively low appraisal of the value of real estate that is the subject of a mortgage loan on the basis of the race, color, religion, sex, disability, familial status, or national origin of the: (1) loan applicant; or (2) residents of the neighborhood in which the real estate is located. Establishes the fair housing practices fund (fund), to be administered by the Indiana housing and community development authority (authority), for the purpose of: (1) providing: (A) down payment assistance; (B) financial assistance for closing costs; and (C) restitution; to individuals injured by a violation of provisions prohibiting discriminatory appraisal practices; and (2) providing grants for: (A) community education and outreach efforts; and (B) community reinvestment initiatives; to neighborhoods or communities adversely impacted by the prohibited discriminatory appraisal practices. Requires the authority to adopt rules to develop certain criteria and procedures necessary to: (1) administer the fund; and (2) provide assistance from the fund. Requires the unit to: (1) amend the form that creditors are required to provide to mortgage loan applicants to include information about how prospective borrowers can report suspected violations of provisions prohibiting discriminatory appraisal practices; and (2) accept complaints concerning these suspected violations. Provides that a person that knowingly or intentionally violates provisions prohibiting discriminatory appraisal practices: (1) commits an act that is actionable by an aggrieved individual and the attorney general under the deceptive consumer sales act; and (2) is liable for a civil penalty. Provides that any civil penalty collected shall be

deposited in the fund. Requires the real estate appraiser licensure and certification board (board) to, not later than January 1, 2025, submit recommendations to the Indiana real estate commission (commission) concerning the following: (1) Rules requiring as a condition of initial licensure or certification: (A) at least one hour of instruction in cultural competency training; and (B) at least one hour of instruction in implicit bias training. (2) Rules requiring as a condition of renewal for licensure and certification: (A) at least one hour of continuing education instruction in cultural competency training; and (B) at least one hour of continuing education instruction in implicit bias training. (3) Policies to foster diversity in the real estate appraisal profession. Requires the commission to adopt the recommended rules not later than July 1, 2025. Provides that the office of the attorney general and the Indiana professional licensing agency (agency) may use an existing investigative fund to investigate and enforce: (1) existing law prohibiting improperly influencing the preparation of a real estate appraisal; and (2) provisions prohibiting discriminatory appraisal practices. Requires the board to submit, on at least a quarterly basis, a request to the attorney general for certain information concerning complaints filed against real estate appraisers. Requires the agency to publish and update on the board's web page, on at least a quarterly basis, certain data received by the board in the most recent quarterly report from the attorney general. Requires, beginning in 2026, the agency to submit an annual report to the legislative council concerning: (1) the cultural competency and implicit bias training educational requirements adopted by the commission; and (2) the policies to foster diversity in the real estate appraisal profession implemented by the commission.

(2) Defines the "tolerance zone" of a physical plant for purposes of the clearance that must be maintained between the physical plant and an excavation or demolition. (3) Provides that the route or boundary of a proposed excavation or demolition may be marked by electronic means approved by the Indiana Underground Plant Protection Service (association). (4) Requires documentation of required actions through submission of electronic positive responses to the association. (5) Provides that: (A) notice of intent to conduct an excavation or demolition must be received by the association not more than 10 calendar days (rather than 20 calendar days, under current law) before the commencement of the work; and (B) if the notice is submitted after 7 a.m. prevailing time, the time of receipt of the notice is 7 a.m. prevailing time on the next working day. (6) Provides that a notice of intent to conduct an excavation or demolition may specify a starting date and time of the excavation or demolition, which may not be later than 10 days after the time of the association's receipt of the notice, and that required notifications, communication, and marking with regard to the excavation or demolition must be completed not later than: (A) the starting date and time specified in the notice, if the notice specifies a starting date and time; or (B) 7 a.m. prevailing time two full working days after service of the notice; whichever is later. (7) Provides that a notice of intent to conduct an excavation or demolition expires at 11:59 p.m. prevailing time 20 days after the date the notice is submitted to the association. (8) Requires that the association develop and implement guidelines to provide notice to an operator regarding the association's receipt of a notice of intent of: (A) an excavation or demolition; or (B) preliminary engineering studies or construction planning activities; at the prevailing time the association receives the notice of intent. (9) Requires a person responsible for an emergency excavation or demolition to provide notice to the association in the manner prescribed by the association. (Under current law, notice of an emergency excavation or demolition must be provided orally.) Makes technical corrections.

- HB1134 LOCAL INCOME TAX (CLERE E) Provides that, for the purpose of distributing the local income tax (LIT), if two or more school corporations or civil taxing units merge or consolidate to form a single school corporation or civil taxing unit, the school corporation or civil taxing unit is entitled to the combined pro rata distribution of the LIT revenue allocated to each applicable school corporation or civil taxing unit in existence on January 1 of the immediately preceding calendar year prior to the merger or consolidation. Provides that the department of local government finance shall make certain adjustments pertaining to the distribution of LIT for Floyd County in 2025, which provide that the Highlander Fire Protection District (district) shall receive an amount equal to the combined distribution that would have been distributed to the Greenville Fire Protection District (FPD) and the Lafayette Fire Protection District (FPD) in 2024, but for their elimination resulting from the merger to establish the district. Requires corresponding adjustments in 2025 to reduce the distribution for each applicable civil taxing unit and school corporation in Floyd County, excluding the district, by an amount that equals the proportionate share of the amount of LIT received in 2024 of the combined distribution that would have been distributed to the Greenville FPD and the Lafayette FPD in 2024, but for their elimination. Provides, for purposes of calculating distributions of the financial institutions tax to local taxing units, how to calculate distributions for a taxing unit that did not receive distributions in 2012 because the unit was subsequently established from the merger or consolidation of two or more taxing units that received distributions from the financial institutions tax fund in 2012. Provides, for purposes of calculating qualified distributions of the commercial motor vehicle excise tax to local taxing units, how to calculate base revenue distributions for a taxing unit that did not receive a base revenue distribution in 2001 because the taxing unit was subsequently established from the merger or consolidation of two or more taxing units that received base revenue distributions in 2001. Provides that, for purposes of determining the apportionment or distribution of the motor vehicle excise tax, that the county auditor may make adjustments to reflect the merger or consolidation of two or more taxing units. HB1148

LOCAL GOVERNMENT FINANCE AND ADMINISTRATION (CHERRY R) Provides that at a county auditor's discretion, the county auditor may choose not to require the inspection of certain items otherwise required to claim a disabled veteran's property tax deduction if the following criteria have been satisfied with regard to an individual seeking to claim the deduction: (1) The county auditor has inspected the individual's items in a previous year and approved the deduction for that year. (2) There has been no change to the individual's property or the individual's qualifying status since the last year that the county auditor approved the deduction. (3) The individual has signed a sworn statement, as prescribed by the Indiana department of veterans' affairs, subject to the penalty of perjury, affirming the requirement that there has been no change to the individual's property or the individual's qualifying status since the last year that the county auditor approved the deduction. (4) The county auditor has not disapproved the individual's claim for the deduction in a year since the county auditor most recently approved the deduction. Requires the proper officers of a political subdivision that desire to appropriate more money for a particular year than the amount prescribed in the budget for that year as finally determined to hold a public hearing after submitting the following information regarding the proposed additional appropriation to the department of local government finance's (DLGF) computer gateway (gateway): (1) The amount of the additional appropriation. (2) The name of the affected fund. (3) The name and account number of the affected account. (4) The date, time, and place at which the political subdivision will hold a public hearing on the proposed additional appropriation. Requires the proper officers of a political subdivision to submit the required information, in a manner prescribed by the DLGF, to the gateway at least 14 days prior to the public hearing. HB1212 LAND BANKS (ROWRAY E) Allows a county to adopt an ordinance requiring a person who wishes to participate in a tax sale as a bidder to pay a neighborhood investment fee of not more than \$150 and specifies the manner in which neighborhood investment fees collected are to be distributed to land banks. Allows a county to adopt an ordinance to impose, in addition to the 5% penalty for delinquent real property taxes, an additional penalty of not more than 3% for a total penalty that may not exceed 8% of the amount of delinquent real property taxes (additional penalty ordinance). Specifies the manner in which the amounts collected attributable to an additional penalty ordinance are to be distributed to land banks. Allows a county to adopt an ordinance imposing a \$15 fee for each document recorded on a tract located in the territory of a land bank and specifies the manner in which the fee shall be distributed to land banks. Makes various changes to the statutes governing land banks that concern certain land bank powers, objectives, and duties. Provides that a majority of the directors of a land bank's board must have demonstrated competency in an occupation or discipline that is relevant to the primary purpose of a land bank. Allows a land bank to establish advisory committees composed of specified community members to consult with and advise the land bank on: (1) properties within the territory of the land bank that are imposing the greatest harm on residents and neighborhoods; (2) resident and neighborhood priorities for new uses of land bank properties; and (3) options for potential transferees of land bank properties. Provides, subject to certain limitations, that a land bank may use an interlocal agreement to establish processes to improve the quality of title and marketability of property the land bank owns by extinguishing any liens that exist on the property. Provides that, if a land bank enters into an interlocal agreement, any employees of an eligible unit who may be contracted to provide staffing services to the land bank pursuant to the interlocal agreement retain their status as public employees of the eligible unit. Requires a county executive to provide a land bank in the county with a list of tracts located in the territory of the land bank that: (1) are delinquent on property taxes; and (2) have been offered for public sale at least two times and remain unsold; on an annual basis. Specifies that list must be provided to the land bank within 60 days after the end of the last tax sale for which the tracts went unsold. Allows the county executive to transfer its interest in a tract on the list to a land bank if requested by the land bank not later than

90 days after it receives the list.

HB1222 RESIDENTIAL REAL ESTATE SERVICE AGREEMENTS (HAGGARD C) Defines a "residential real estate service agreement" as an agreement: (1) under which a service provider agrees to provide one or more services: (A) in connection with the maintenance, purchase, or sale of residential real estate; and (B) that are not to be performed in their entirety within one year after the agreement is entered into; and (2) that: (A) purports to run with the land or to be binding on future owners; (B) allows for the assignment of the right to provide one or more of the services under the agreement without the consent of the owner of the residential real estate; or (C) purports to create a lien or an encumbrance on, or a security interest in, the residential real estate. Provides that a residential real estate service agreement that is entered into after March 14, 2024, is void and unenforceable. Prohibits a person from recording after March 14, 2024, a residential real estate service agreement in Indiana, regardless of when the residential real estate service agreement is entered into. Provides that a person who knowingly and willfully records or causes to be recorded a residential real estate service agreement in violation of this prohibition commits a Class A misdemeanor. Provides that a county recorder, or an employee of a county recorder, who records a residential real estate service agreement that is presented to the county recorder's office for recording is not civilly or criminally liable under the bill's provisions, regardless of when the recording occurs. Provides that if a residential real estate service agreement (agreement) is recorded in Indiana after March 14, 2024, any person with an interest in the residential real estate that is the subject of the agreement may: (1) apply to a court in the county in which the agreement is recorded for a declaratory judgment declaring the agreement unenforceable; and (2) recover the person's actual damages against any service provider that: (A) is a party to the agreement; and (B) recorded, or caused to be recorded, the agreement. Provides that a service provider that: (1) enters into a residential real estate service agreement with any person; or (2) records, or causes to be recorded, a residential real estate service agreement in Indiana; after March 14, 2024, commits a deceptive act that is subject to the remedies and penalties under the deceptive consumer sales act (act), including an action by the attorney general under the act. Provides that the bill's provisions do not apply to: (1) a residential real estate service agreement entered into before March 15, 2024 (except as otherwise provided in the bill); or (2) certain specified products, contracts, rights, agreements, services, or liens.

Requires a local health department to: (1) identify grants and resources to assist property owners and occupants with lead abatement; and (2) publish the information on the local health department's website. Requires that the guidance developed by the Indiana department of health for health care providers for blood lead level screening for children are consistent with the federal Centers for Disease Control and Prevention guidelines. Amends the requirements for certain health care providers concerning childhood blood lead screening. Removes the expiration date of these provisions. Beginning in the 2025-2026 school year, requires a qualified school to require a child or student who meets specified criteria to receive a blood lead screening test. Provides that a child or student who meets specified criteria may not be initially enrolled in a qualified school unless: (1) the child or student has received a blood lead screening test and documentation of the test is provided to the qualified school; or (2) if the child's parent, student's parent, or student, if the student is an emancipated minor, declines the test, a written explanation for declining the test is provided to the qualified school. Defines "qualified school" for purposes of these provisions.

- HB1265 VARIOUS ELECTIONS MATTERS (WESCO T) Defines "scantron" and provides that a scantron complies with certain absentee ballot endorsement requirements if it is endorsed with the initials of certain individuals. Requires the county election board of a county that is not designated as a vote center county to establish a plan that specifies the method and timing of providing absentee reports to persons who are entitled to receive the reports. Specifies that a nondiscriminatory uniform policy concerning certain voter registration information must apply to all records maintained in the computerized list, including election administration records and absentee activity reports. Requires the NVRA official to conduct, at least once each calendar year, a review and identification of particular voter registration records. Modifies the deadlines that determine the procedures that a clerk must follow when the clerk determines that an application to receive an absentee ballot by mail does not fully comply with election laws. Allows a county election board that adopted a resolution for a primary election allowing absentee voting at satellite offices to amend the resolution, by unanimous vote, to modify, for the subsequent general or municipal election, the locations and hours of the satellite offices. Requires each member of an absentee voter board to sign and print the member's name on a voter's affidavit after the voter has signed and dated the affidavit. Specifies the deadline that applies to fill certain candidate vacancies when the vacancy is due to the successful challenge of a candidate in a judicial proceeding. Prohibits the appointment of a particular person to fill a vacancy by a political party that differs from the party with which the person affiliated when the person was defeated in a primary election or a town or state convention. Extends certain early candidate vacancy provisions to apply to late candidate vacancies. Requires a county election board to deliver a sealed envelope that contains affidavits to the prosecuting attorney of the county instead of the foreman of the grand jury. Permits the bureau of motor vehicles to disclose certain identifying information for voter registration and election purposes under certain laws. Prescribes the ballot language for the proposed constitutional amendment that would remove the state superintendent of public instruction from the line of succession to the governor. - HB1270 OPTIONAL CIRCUIT BREAKER TAX CREDIT (HATCHER R) Authorizes the city of Gary to adopt an ordinance to provide a credit against property tax liability for qualified individuals. Defines a "qualified individual" for purposes of the credit. Provides that the ordinance may designate: (1) all of the territory of the city; or (2) one or more specific geographic territories within the city; as a neighborhood enhancement district in which qualified individuals may apply for the credit. Provides that the amount of the credit in a particular year is equal to the amount by which an individual's property tax liability increases by more than the percentage of increase specified by the city fiscal body from the prior year. Provides that the credit does not affect the allocation of taxes to a referendum fund. Requires a qualified individual who desires to claim the credit to file a certified statement with the county auditor. Provides that the county auditor shall apply the credit in succeeding years after the certified statement is filed unless the auditor determines that the individual is no longer eligible for the credit or the county fiscal body rescinds the ordinance. Provides that the penalty for wrongly receiving the credit is the same as the penalty for wrongly receiving the homestead standard deduction. Provides that an individual may not receive both the optional circuit breaker tax credit and an over 65 property tax credit in the same year. Provides that an ordinance must specify that the credit does not apply for property taxes first due and payable after December 31, 2027. Sunsets the optional circuit breaker tax credit on January 1, 2028.

HB1278

IURC AND OFFICE OF ENERGY DEVELOPMENT MATTERS (SOLIDAY E) Repeals the Indiana Code provisions concerning the following obsolete programs and funds administered by the Indiana office of energy development (office): (1) The alternative fuel fueling station grant program. (2) The alternative fuel vehicle grant program for local units. (3) The Indiana coal research grant fund. (4) The office of alternative energy incentives. (5) The alternative energy incentive fund. (6) The center for coal technology research. Makes conforming amendments to other sections of the Indiana Code that reference the repealed provisions. Repeals, in the Indiana Code chapter governing the Indiana recycling market development board (board), a provision that authorizes the office to establish and administer a revolving loan program to make low interest loans for energy efficiency or recycling market development projects. Relocates that provision to the Indiana Code chapter governing the office and removes from the provision language authorizing the office to consult with the board in establishing and administering the program. Provides that, notwithstanding the statutory requirements for a local unit to be certified as a commercial solar energy ready community or a wind energy ready community, the commercial solar and wind energy ready communities development center may make a reasonable determination to certify a unit as a commercial solar energy ready community or a wind energy ready community if the unit's commercial solar regulation or wind power regulation does not: (1) materially differ from applicable industry or regulatory standards; or (2) otherwise materially affect the ability of a project owner to develop a commercial solar project or a wind power project in the unit. Amends the Indiana Code section concerning a rate case in which a utility seeks an increase in revenues exceeding \$2,500,000, and with respect to which a public hearing is required, to provide that the Indiana utility regulatory commission (IURC) shall conduct at least one public hearing in one of the following, as determined by the IURC: (1) The largest municipality located within the utility's service area. (2) The municipality containing the largest number of customers served by the utility. (3) The county containing the largest number of customers served by the utility. (Current law requires the IURC to conduct the public hearing in the largest municipality located within the utility's service area.) Makes a corresponding change to the statute concerning rural electric membership corporations. Repeals a provision in the statute concerning incentives for clean energy projects that requires eligible businesses under the statute to file with the lieutenant governor a monthly report concerning purchases of: (1) Illinois Basin coal for energy production or generation; and (2) fuel or energy produced by a coal gasification facility or by a nuclear energy production or generating facility.

Provides that no other method of voting may be used in Indiana. Specifies that ballots must be counted by hand. Requires precincts to have video cameras that record and live stream the counting of ballots and the ballot box container. Requires each precinct to have one voting system equipped for individuals with disabilities. Specifies requirements for reporting results of the election. Requires election results to be announced the evening of the election. Prohibits the use of a pollbook in any form other than paper. Provides that ballots are not confidential. Prohibits the state from conducting the voting system technical oversight program (VSTOP) after June 30, 2024. Specifies storage requirements for certain election documents. Requires the secretary of state (secretary) to randomly choose 10 counties for post-election hand recounts and inspections of secured storage facilities. Provides that all Indiana citizens have the right to inspect and copy all election materials at the office of the county clerk. Requires the secretary to establish and maintain a statewide voter registration data base. Requires the secretary to administer voter registration rolls and provides that the secretary may not delegate this function. Requires county clerks to create and print the paper pollbook for each precinct. Specifies requirements for back up lists and daily records of the voter registration data base. Specifies that an election in Indiana may be held only on election day. Prohibits: (1) early in person voting; (2) vote centers; (3) Internet voting; (4) mass mail-in voting; (5) ballot harvesting; and (6) a ballot drop box. Provides that a precinct may contain not more than 1,500 registered active voters. Specifies that absentee voter boards may be used for all voters at extended care facilities. Requires all voter registration applications to include proof of citizenship and a signature. Specifies certain restrictions that apply to a third party organization. Provides that a digital identification is not acceptable for the purposes of registration or voting. Specifies: (1) requirements for absentee ballots; and (2) the individuals who qualify to receive an absentee ballot. Requires an absentee ballot to include a copy of the voter's proof of identification or the last four digits of the voter's Social Security number. Provides that a person who violates these provisions: (1) commits a Class A misdemeanor; and (2) is deprived of the right of suffrage for 10 years. - HB1305 MAJOR GROUND WATER WITHDRAWAL FACILITIES (NEGELE S) Defines a facility as a "major ground water withdrawal facility" if: (1) the facility includes one or more wells that have the capability of withdrawing at least 10,000,000 gallons of ground water from one or more aquifers in one day; and (2) the facility is connected, or plans provide for the facility to be connected, to pipeline facilities through which at least 10,000,000 gallons of ground water withdrawn by the facility's well or wells could be transported in one day to a destination located at least 20 miles from the facility. Provides that, after June 30, 2024, a person may not establish a major ground water withdrawal facility if the ground water withdrawn by the facility will be used primarily for: (1) commercial purposes; (2) industrial purposes; or (3) a combination of commercial purposes and industrial purposes; unless the person has obtained a permit from the natural resources commission (commission). Establishes the following prerequisites to the commission's issuance of a permit: (1) Public notice of the permit application must be provided through publication on the website of the department of natural resources (department). (2) Public notice of the permit application must be provided by first class mail to the executive of the county and to the executives of certain cities or towns. (3) At least two public hearings concerning the proposed major ground water withdrawal facility must be held. (4) A written feasibility study concerning the proposed major ground water withdrawal facility must be prepared. (5) The written feasibility study must be peer reviewed. (6) The feasibility study and the written results of the peer review must be published on the website of the department. Provides that the commission shall issue the permit if: (1) all of the prerequisites are satisfied; and (2) the commission determines that the establishment of the major ground water withdrawal facility, if permitted, will fulfill the health, economic, environmental, and other needs of present and future generations of Indiana citizens. Provides that, depending on the determinations of the feasibility study and the peer review, the permit may limit the maximum amount that the major ground water withdrawal facility may withdraw and transfer per year. Provides that a permit, if issued, must require the permit holder to regularly monitor the aquifer or aquifers from which the major ground water withdrawal facility withdraws ground water and must report the monitoring data to the department. Provides that the owner of a major ground water withdrawal facility may be ordered to provide timely and reasonable compensation to the owner of a nonsignificant ground water withdrawal facility or significant ground water withdrawal facility if water withdrawals by the major ground water withdrawal facility cause the nonsignificant ground water withdrawal facility or significant ground water withdrawal facility to fail to furnish the supply of water it normally furnishes or to fail to furnish potable water.

- HB1313 REAL ESTATE LAND CONTRACTS (MOED J) Defines "principal dwelling land contract" (contract) as a land contract for the sale of real property: (1) designed for the occupancy of one to two families; and (2) that is or will be occupied by the buyer as the buyer's principal dwelling. Provides that a buyer who has completed the buyer's obligations under the contract is entitled to the homestead deduction regardless of whether the seller has conveyed title. Provides that the seller under a contract must provide the buyer with certain information concerning any liens that encumber the property 10 days before the contract is executed. Sets forth disclosures that must be included in a contract. Requires all preexisting liens on the property to be satisfied by the seller by the end of the contract term. Provides that a contract must permit a buyer to pay the balance owed and receive the deed at any time. Prohibits prepayment penalties or additional charges for an early payoff. Provides a three day cancellation period for both the buyer and seller. Allows the seller and the buyer to transfer their respective interests in the contract to other parties, subject to certain conditions. Requires the seller to provide the buyer with an annual statement of account. Sets forth certain rights and responsibilities of the parties upon default by either the buyer or the seller. Sets forth acts and omissions constituting violations and establishes remedies for these violations. Provides that a violation of these provisions constitutes an incurable deceptive act that is actionable by the attorney general under the deceptive consumer sales act. Authorizes the attorney general, in consultation with the department of financial institutions, to adopt rules to implement these provisions. Requires that the executed contract or a memorandum of land contract be notarized.

- HB1316 NEXT LEVEL TRUST FUND (SNOW C) Repeals the provision establishing the next generation trust fund. Requires that title to any proceeds transferred to and held in the next generation trust fund, including any money and investments held in the next generation trust fund, and under any trust agreement entered into by the Indiana finance authority (authority) and the treasurer of state, be transferred to the next level Indiana trust fund. Provides that upon completion of the transfer to the next level Indiana trust fund, the next generation trust fund shall cease and be of no

further force or effect as a charitable trust or otherwise. Provides that the officers, directors, and employees of the authority and the treasurer of state are immune from civil liability in connection with any transfer to the next level Indiana trust fund. Changes the quorum requirement for the next level Indiana trust fund investment board. Provides that not any one investment made from the next level Indiana trust fund in an investment fund may exceed \$25,000,000 unless the investment fund is specifically created to meet a need in Indiana's ecosystem as determined by the next level Indiana trust fund investment board. Provides that the principal of the next level Indiana trust fund may be used to make and secure lease rental payments that: (1) are payable from grant proceeds from the federal government; and (2) will be used to pay bonds or notes issued by the authority. Provides that if grant proceeds received from the federal government are not sufficient to pay a lease rental payment, the authority shall notify the trustee of the next level Indiana trust fund when the lease rental payment is due and the amount of the shortfall. Requires, upon receiving notice from the authority, the trustee of the next level Indiana trust fund to promptly transfer money in the next level Indiana trust fund in the amount of the shortfall, or at the direction of the authority, for the purpose of making the lease rental payment. Requires, if such a transfer is made, the state budget director to transfer funds from the state general fund to the next level Indiana trust fund in an amount equal to the transfer. HB1328 DEPARTMENT OF LOCAL GOVERNMENT FINANCE (SNOW C) Requires the department of local government finance (department) to notify the county assessor of the department's tentative assessment, or information related to tentative valuation changes, of a utility company's distributable property not later than June 1. Requires a county auditor to submit an amended certified statement of the assessed value for the ensuing year to the department by the later of: (1) September 1; or (2) 15 days after the certified statement is submitted to the department. Prohibits certain civil taxing units that determine they cannot carry out their governmental functions for an ensuing calendar year under various levy limitations from submitting an appeal unless the civil taxing unit receives approval from the appropriate fiscal body to submit the appeal. Similarly prohibits a participating unit of a fire protection territory from submitting an appeal unless each participating unit of the fire protection territory has adopted a resolution approving submission of the appeal. Requires the department, regarding the referendum process for bonds or leases for certain projects, to certify its approval or recommendations to the county auditor and the county election board not more than 10 days after both the required certification of the county auditor and the language of the public question are submitted to the department for review. Provides for the staggering of terms for property tax assessment board of appeals members. Provides that if the department determines that certified computer software or a certified provider is not in compliance with certain specifications or standards or the rules of the department, the department may request that the provider develop a corrective action plan. Provides that a contract with a computer provider under a corrective action plan is not void unless the department: (1) determines that the provider has failed to substantially correct the noncompliance; and (2) revokes the provider's certification. Establishes corrective action plan provisions for noncompliant computer providers. Requires the department to approve a lower levy freeze tax rate if it finds that the lower rate, in addition to: (1) the supplemental distribution as determined in an adopted resolution; and (2) the amount in certain repealed stabilization funds, as applicable; would fund the levy freeze dollar amount. Requires the department to send its decision regarding referendum language to the governing body of a school corporation not more than 10 days after: (1) the certification of the county auditor; and (2) the resolution is submitted to the department. Provides that, for purposes of the transportation levy component of an operations fund property tax levy, a school corporation, whose budget for the upcoming year is subject to review by a fiscal body, may not submit an appeal to the department unless the school corporation receives approval from the fiscal body. Establishes a competitive pilot program for community mental health services. Provides that for a county having a United States government military base that is scheduled for closing, the expiration date of the allocation area may be extended for the purposes of paying certain expenses.

HB1329 LOCAL GOVERNMENT MATTERS (PRESSEL J) Authorizes the solid waste management district of Vanderburgh County to make grants and loans for certain purposes. Prohibits a governmental entity from requiring that a Class 2 structure or a residential onsite sewage system be inspected in connection with or as a condition of the sale of or transfer of title to the property containing the Class 2 structure or residential onsite sewage system. Provides, for purposes of posting a license bond, that a political subdivision may not impose any requirement for the political subdivision to be identified as an obligee on the license bond other than the requirement in statute. Provides that an obligor may initiate a civil action against a political subdivision that does not recognize or does not allow an obligor to post a license bond that satisfies certain requirements and that, if the obligor prevails in the action, the obligor shall be awarded an amount equal to: (1) 300% of the cost of obtaining the license bond; (2) compensatory damages; and (3) reasonable attorney's fees. Provides that if a contractor: (1) has posted a license bond to obtain one license from a political subdivision; and (2) is required to obtain another license from the political subdivision to perform work that the contractor intends to perform; the contractor may not be required to post a second license bond as a condition of obtaining the second license if the type of work that the first license authorizes the contractor to perform is so closely related to the type of work that the second license will authorize the contractor to perform that both types of work are typically involved in a single residential construction project. Provides that a city, town, or county that requires a building permit for the construction of a Class 2 structure may provide for the inspection preceding the issuance or

denial of the building permit to be conducted by: (1) an individual employed by the city, town, or county, or by another city, town, or county, as a building inspector; (2) a registered architect; (3) a registered professional engineer; (4) a certified building official; or (5) a licensed home inspector.

HB1385 PAYMENT FOR AMBULANCE SERVICES (BARRETT B) Requires a health plan operator to provide payment to a nonparticipating ambulance service provider for ambulance service provided to a covered individual: (1) at a rate not to exceed the rates set or approved, by contract or ordinance, by the county or municipality in which the ambulance service originated; or (2) if there are no rates set or approved by the county or municipality in which the ambulance service originated: (A) at the rate of 500% of the published rate for ambulance services established under the Medicare law for the same ambulance service provided in the same geographic area; or (B) according to the nonparticipating ambulance provider's billed charges; whichever is less. Provides that if a health plan makes payment to a nonparticipating ambulance service provider in compliance with these requirements: (1) the payment shall be considered payment in full, except for any copayment, coinsurance, deductible, and other cost sharing amounts that the health plan requires the covered individual to pay; and (2) the nonparticipating ambulance service provider is prohibited from billing the covered individual for any additional amount. Provides that the copayment, coinsurance, deductible, and other cost sharing amounts that a covered individual is required to pay in connection with ambulance service provided by a nonparticipating ambulance service provider shall not exceed the copayment, coinsurance, deductible, and other cost sharing amounts that the covered individual would be required to pay if the ambulance service had been provided by a participating ambulance service provider. Requires a health plan operator that receives a clean claim from a nonparticipating ambulance service provider to remit payment to the nonparticipating ambulance service provider not more than 30 days after receiving the clean claim. Provides that if a claim received by a health plan operator for ambulance service provided by a nonparticipating ambulance service provider is not a clean

claim, the health plan operator, not more than 30 days after receiving the claim, shall: (1) remit payment; or (2) send a written notice that: (A) acknowledges the date of receipt of the claim; and (B) either explains why the health plan operator is declining to pay the claim or states that additional information is needed for a determination whether to pay the claim. Repeals the requirement that a health plan operator negotiate rates and terms with any ambulance service provider willing to become a participating provider and the requirement that the department of insurance, not later than May 1, 2024, submit a report concerning these negotiations.

HB1388 USE OF DIGITAL ASSETS (VANNATTER H) Provides an income tax deduction for short term or long term capital gain that is attributable to the sale or exchange of digital assets in a transaction and that is included in federal adjusted gross income, in an amount not to exceed \$200 per transaction for the 2024 taxable year, and adjusted annually for inflation each taxable year thereafter. Provides that a county or municipality may not: (1) impose a tax that is assessed based on use of a digital asset as payment in a transaction; or (2) impose a tax on transactions at a different rate based on the use of a digital asset for payment in the transaction. Prohibits the Indiana utility regulatory commission (commission) from approving a rate schedule for electricity supplied by an electricity supplier to digital asset mining businesses that is unreasonable or unjustly discriminatory as compared to the rate schedule approved by the commission for electricity supplied by the electricity supplier to industrial customers. Provides that a person is not required to be licensed as a securities broker-dealer solely because the person provides, or offers to provide, specified services with respect to transactions involving digital assets. Provides that specified operations conducted with respect to maintenance of a blockchain do not constitute money transmission for purposes of statutes regarding licensure of money transmitters. Provides immunity from civil liability for a person that performs specified actions with respect to validation of a transaction on a blockchain network. Prohibits a county, municipality, or township from adopting or enforcing an ordinance that would have the effect of prohibiting, restricting, or impairing an individual's ability to: (1) use digital assets to purchase legal goods and services; or (2) use a hardware wallet or self-hosted wallet to store the individual's digital assets. Provides that use of a property for digital asset mining is a permitted industrial use under any applicable zoning ordinance of a unit and may not be disallowed by a zoning ordinance in a zoning district that permits industrial use. Prohibits a unit from applying the unit's zoning ordinances in specified ways to regulate digital asset mining. Makes conforming amendments and technical corrections.

HB1397 EMERGENCY POWERS (LINDAUER S) Provides that in the event of a disaster emergency, an emergency order issued by a state agency must be narrowly tailored to serve a compelling public health or safety interest. Entitles a person to relief if a court determines that the person seeking judicial relief has been prejudiced by an agency action issued during a disaster emergency that has not been: (1) applied equally to a similarly situated person; and (2) narrowly tailored to serve a compelling public health or safety interest. Provides that the orders, rules, and regulations made, amended, or rescinded by the governor must be narrowly tailored to serve a compelling public health or safety interest. Requires any state or local agency, including the Indiana department of health and local boards of health, to only impose a restriction that is narrowly tailored to serve a compelling public health or safety interest. Provides that any order or proclamation declaring, continuing, or terminating a local disaster emergency must be narrowly tailored to serve a compelling public health or safety interest. Provides that, if the disaster that is the basis of the emergency order impacts an area of the state that does not exceed the lesser of: (1) 31 counties; or (2) an area that is inhabited by less than 33 1/3% of the population of Indiana; the state of emergency expires in 30 days. Provides that the governor may renew the emergency declaration in 30 day increments not to exceed a period of 12 months. Provides that all other emergency declarations expire 30 days after the initial date of the governor's executive order and may not be renewed or extended by the governor without the approval of the general assembly. - HB1403 DETERMINING EXISTENCE AND CLASS OF WETLANDS (BOY P) Amends the definition of Class I wetland to provide that, to be categorized as a Class I wetland, a wetland must be determined by a hydrologist to possess no significant hydrologic function. Defines "hydrologic function" as the capacity of a wetland to store floodwaters by spreading water out over a large, flat area, which decreases runoff velocity, reduces flood peaks, and distributes stormflows over longer time periods. Provides that a wetland that meets the other conditions of the definition of "Class I wetland" but is not determined by a hydrologist to possess no significant hydrologic function is a Class II wetland. Provides that, for purposes of the law on state regulated wetlands, the existence of a wetland and the wetland class of a wetland shall be determined through use of: (1) the National Wetlands Inventory produced by the United States Fish and Wildlife Service and made available by the department of environmental management on the Internet for public use; and (2) the soil data and other information available through the Web Soil Survey website operated by the Natural Resources Conservation Service of the United States Department of Agriculture.

- HB1413 STATE AND LOCAL POLICIES ON HOMELESSNESS (DAVIS M) Cancels the appropriation in the 2023 budget bill for the state's housing first program and reallocates that appropriation to the Indiana housing and community development authority (authority) as follows: (1) Provides that state funds for homelessness must be used for: (A) parking areas; (B) camping facilities; (C) individual shelters; and (D) congregate shelters; and specifies conditions and requirements applicable to those facilities. (2) Provides that state funds otherwise used for permanent housing must be used to assist individuals with substance use, mental health treatment, and other services, including short term housing. Provides that the authority must award certain funds as performance payments for political subdivisions or nonprofit organizations that reduce the number of individuals with days unhoused, days in jail or prison, or days hospitalized. Specifies that a person who owns or operates a private camping facility funded under the bill's provisions

is immune from civil liability. Prohibits an individual from camping, sleeping, or using for long term shelter land owned by the state or a political subdivision, unless the land has been authorized for that use under the provisions added by the bill or another law. Provides, if certain elements are met, that a person who knowingly or intentionally uses land owned by the state or a political subdivision for unauthorized camping, sleeping, or for long term shelter commits a Class C misdemeanor. Establishes an affirmative defense to such a prosecution. Prohibits a political subdivision from adopting or enforcing any policy that prohibits or discourages the enforcement of any order or ordinance prohibiting public camping, sleeping, or other obstruction of a sidewalk. Authorizes the attorney general to bring a civil action to enjoin a political subdivision that adopts or enforces such a policy. Makes conforming changes. Makes an appropriation.

HB1429

LOW WATER CROSSINGS (PATTERSON L) Defines "low water crossing" as a place where a road crosses a stream having a water level that is normally well below the level of the road but may in times of heavy rain rise above the level of the road to a depth that is difficult for the driver of an oncoming automobile to judge, creating the risk that the driver will attempt to cross at the crossing and the driver's automobile will become buoyant and be swept off the road. Defines "low water crossing project" as a project that consists of installing appropriate road signs to warn automobile drivers as they approach a low water crossing, replacing damaged or undersized road culverts in a low water crossing with culverts that will accommodate a greater quantity of stream flow under the road, or replacing a low water crossing with a bridge. Authorizes a local county road and bridge board to undertake low water crossing projects. Requires the commissioner of the department of transportation (department) to ensure that the department makes information available to county boards of commissioners and county highway departments about funding from federal and private sources that might be available to the counties for low water crossing projects. Amends the law on the local road and bridge matching grant fund: (1) to allow grants to local units to be used for low water crossing projects; and (2) to provide that funds allocated for grants to local units having a population of less than 50,000 can be used to make grants to counties below the population limit as well as to municipalities located in counties that are below the population limit.

SB5 CUSTOMER OWNED LEAD SERVICE LINES (KOCH E) Specifies that, for purposes of the statute concerning the replacement of customer owned lead service lines by water utilities, a municipally owned utility includes a utility company owned, operated, or held in trust by a consolidated city. Provides that the following apply with respect to the owner of any building, structure, or dwelling, other than a multi-family residential property that contains more than four dwelling units, that is served by a customer owned lead service line within or connected to a water utility's system: (1) That upon request by the water utility, the owner shall replace, or cause to be replaced, the customer owned portion of the lead service line by: (A) enrolling in the water utility's lead service line replacement program; or (B) replacing the customer owned portion of the lead service line through the owner's own agents or contractors and at the owner's own expense. (2) That if the owner: (A) does not replace, or cause to be replaced, the customer owned portion of the lead service line through one of the specified methods; (B) fails to communicate with the water utility regarding the replacement; or (C) denies access to the property to enable the replacement; the water utility or the water utility's agent may enter the property to replace the customer owned portion of the lead service line. (3) That the following are not liable to the owner with respect to any replacement made under these provisions: (A) The water utility. (B) The occupant of the property, if the property is occupied by an occupant other than the owner. (4) That a water utility may, in addition to availing itself of the remedies set forth in these provisions, and in accordance with state law, disconnect water service to the owner's property. Provides that upon request by a water utility, the owner of a multi-family residential property that contains more than four dwelling units may elect to participate in the water utility's lead service line replacement program. Requires the owner to communicate to the water utility the owner's election to participate not later than 45 days after receiving the water utility's request. Provides that if the owner does not communicate the owner's election to participate in the water utility's lead service line replacement program within this 45 day period, the owner, or any future owner of the property, is responsible for replacing the customer owned portion of the lead service line through the owner's own agents or contractors and at the owner's own expense. Provides that in the case of any: (1) building; (2) structure; or (3) dwelling; that a water utility has determined to be abandoned or unserviceable, the water utility may disconnect water service to the property and require the owner, or any future owner, of the property to install a new service line. Provides that these provisions may be incorporated, without the need for further approval by the Indiana utility regulatory commission (IURC), into a water utility's lead service line replacement plan that has been previously approved by the IURC. Makes conforming changes.

- SB51 COMMERCIAL PROPERTY ASSESSED CAPITAL EXPENDITURE PROGRAM (WALKER G) Authorizes counties, cities, and towns (local units) to adopt an ordinance for a commercial property assessed capital expenditure program (C-PACE program) and enter into an assessment contract with the owner or owners of commercial property to impose a voluntary C-PACE tax assessment and lien on an applicant's property as a means of assisting the applicant in obtaining financing of eligible clean energy improvements on the property. Defines an "eligible improvement". Requires the local unit to obtain written consent of each existing mortgage lienholder on the property stating that the lienholder does not object to the imposition of the C-PACE tax assessment. Requires certain provisions to be included in an assessment

contract. Specifies the procedures for imposing the assessment, collection, enforcement, and the priority of any tax lien. Prohibits the local unit from issuing bonds secured by tax revenue from any special assessment and further specifies that a local unit shall have no financial obligation or liability for the payment of tax revenue from a special assessment, other than to transfer the proceeds to the financing provider for the improvements.

MARION COUNTY FIRE CONSOLIDATION (BALDWIN S) Authorizes the consolidation of a township fire department or fire protection territory in Marion County into the fire department of the consolidated city if the following occur: (1) The mayor of the consolidated city adopts a resolution approving the consolidation. (2) The city-county council adopts an ordinance approving the consolidation. (3) The mayor of the consolidated city approves the ordinance of the city-county council. Provides that a consolidation is effective on the date set forth in the ordinance adopted by the city-county council. Provides for the transfer of cumulative building and equipment fund balances, debt service balances, and firefighting fund balances on the effective date of the consolidation. Makes changes to a provision concerning the transfer of certain types of indebtedness to the consolidated city incurred before the effective date of the consolidation. Relocates language specifying that indebtedness related to fire protection services that is incurred before the effective date of the consolidation by the consolidated city remains the debt of the consolidated city and property taxes to pay the debt may only be levied within the fire special service district. Specifies that to become a firefighter with the fire department of the consolidated city as part of a consolidation, an individual must pass the work performance evaluation administered by the fire department of the consolidated city. Provides that a physician selected by the fire department of the consolidated city may, upon application by the firefighter, grant the firefighter an extension, for medical reasons, of the date by which the firefighter must pass the work performance evaluation. Provides that for purposes of determining the seniority of a merit firefighter who becomes employed by the fire department of the consolidated city through a consolidation: (1) the time served by the individual as a merit firefighter with the consolidated fire department also includes the total time served by the individual as a merit firefighter with the fire department in which the individual was serving at the time of the consolidation; and (2) the hire date of the individual is the date the individual was hired as a merit firefighter by the fire department in which the individual was serving at the time of consolidation. Specifies that if an individual becomes a firefighter employed by the fire department of the consolidated city through a consolidation, the individual's merit rank may not be reduced below the lesser of the merit rank held by the individual on the effective date of the consolidation or the rank of captain. Specifies that the consolidated city may levy property taxes within the area served by the consolidated fire department to provide for the payment of the expenses for the operation of the consolidated fire department. Provides that beginning with the fifth year after the year in which such a consolidation is effective, the total property tax rate imposed for fire protection within the territory formerly served by the fire department that was consolidated may not exceed the total property tax rate imposed for fire protection in other areas served by the fire department of the consolidated city.

- SB60 SAFE HAVEN INFANTS (HOLDMAN T) Requires the Indiana clearinghouse for information on missing children and missing endangered adults to cooperate with licensed child placing agencies for purposes of locating missing children. Amends the definition of "safe haven infant" to provide that the term means any infant taken into custody by an emergency medical services provider under specified circumstances. Amends the definition of "abandoned infant" for purposes of juvenile law to provide that the term does not include a safe haven infant. Requires an emergency medical services provider who takes custody of a safe haven infant at a location other than a hospital to transport the safe haven infant to a hospital. Requires the department of child services (department) to do the following: (1) Create and maintain: (A) a means by which licensed child placing agencies may opt to receive notice of a safe haven infant having been taken into custody by an emergency medical services provider; and (B) a registry of licensed child placing agencies that have opted to receive notice. (2) Accurately track the number of safe haven infants taken into custody by emergency medical services providers. Requires a licensed child placing agency that assumes custody of a safe haven infant to immediately notify the department that the licensed child placing agency has assumed custody of the safe haven infant. Provides that if a licensed child placing agency assumes custody of a safe haven infant from an emergency medical services provider with which the licensed child placing agency, or an employee of the licensed child placing agency, has a financial relationship that could be construed as providing an incentive for the emergency medical services provider to give custody of the safe haven infant to the licensed child placing agency, the licensed child placing agency: (1) may not place the safe haven infant; and (2) shall, without unnecessary delay after taking custody of the safe haven infant, transfer custody of the safe haven infant to the department. Provides that if the department or a licensed child placing agency files a petition to terminate the parent-child relationship, the petition must be accompanied by an affidavit attesting to the existence of specified conditions. Specifies that notice to an unnamed or unknown putative parent regarding the surrender of a safe haven infant must be published only in Indiana counties. Makes technical corrections.

Specifies the contents of the tourism improvement district plan that must be filed with a petition to establish a district. Excludes property that receives a homestead standard deduction from inclusion within a district. Provides that owners of real property or businesses located within a district may be charged a special assessment to fund improvements and other district activities. Provides that, after a hearing on a petition to establish a district, a county, city, or town legislative body may adopt the ordinance establishing the district only if it determines that the petition has been signed by at least 50% of the owners of real property or businesses within the district who will pay the special assessment. Specifies the contents of the ordinance establishing a district and the length of time for which a district may exist. Allows a district to issue bonds. Requires the county, city, or town legislative body to contract with a nonprofit district management

association to administer and implement the district's activities and improvements.

SB64 HOUSING MATTERS (FORD J) Requires, before November 1, 2024, the Indiana housing and community development authority (authority) to prescribe a statement of the rights of a residential tenant in Indiana. Specifies the contents of the statement. Requires the authority to: (1) make the statement available to residential landlords throughout Indiana; and (2) post the statement on the authority's website. Requires, after October 31, 2024, a residential landlord to provide a tenant with the statement at the time the tenant enters into or renews a rental agreement. Provides that a landlord may not increase the rent payable by a tenant who is at least 62 years of age in an amount that exceeds 10% of the rent payable under the rental agreement in effect on June 30, 2024, and for each year thereafter. Specifies that if a tenancy is month to month, a landlord may not increase the rent payable by a tenant who is at least 62 years of age for a succeeding month in an amount that exceeds: (1) 10%; divided by (2) 12 months; of the amount of rent payable under the rental agreement applicable to the month to month tenancy on June 30, 2024, and for each month thereafter. Indicates that the application of the provisions added by the bill concerning rental increases is not affected by a change in the ownership of the property if the new owner continues to use the property to rent dwelling units.

- SB144 FIREARMS MATTERS (YOUNG M) Allows a juvenile who is at least 16 years of age to be charged in adult court for the commission of certain offenses relating to the unlawful transfer of a firearm. Permits a child to travel with a firearm to or from certain activities where the child is permitted to possess the firearm only if the child is accompanied by the child's parent or legal guardian, or by an adult who has been authorized to accompany the child by the child's parent or legal guardian, as long as the parent, legal guardian, or authorized adult is eligible to purchase or otherwise receive from a dealer a handgun. Prohibits a state entity or a political subdivision (government entity) from regulating or restricting by administrative rule, ordinance, or policy the ownership, possession, or carrying of a handgun on government property by an individual who both: (1) holds a valid license to carry a handgun; and (2) is not prohibited from owning or possessing a handgun under state or federal law (lawful individual). Prohibits a person who enters into a contract with a government entity after June 30, 2024, from regulating or restricting the ownership, possession, or carrying of a handgun on government property by a lawful individual. Specifies that these prohibitions do not apply to, or affect the validity of, a: (1) contract or agreement that is initially entered into before July 1, 2024, even if that contract is later amended or renewed; and (2) statute, administrative rule, ordinance, or policy: (A) enacted by a government entity; and (B) in effect on January 1, 2024. Urges the legislative council to assign to the interim study committee on corrections and criminal code during the 2024 interim the task of creating a consolidated and comprehensive list of the places at which the carrying of a firearm is prohibited under state or federal law.

- SB245 NATURAL GAS AND ELECTRIC UTILITY INFRASTRUCTURE (GLICK S) Provides that an applicant that seeks: (1) the installation or extension of electric or natural gas utility infrastructure; (2) electric or natural gas utility service; or (3) both; in connection with certain development projects is entitled to request and convene, before commencing construction on the project, at least one technical advisory meeting with each utility whose service area includes the project site. Defines a "technical advisory meeting" as a meeting that: (1) includes as participants the applicant and one or more utilities: (A) whose service area includes the project site; and (B) from whom utility infrastructure, utility service, or both, will be required for the project; and (2) is held: (A) in preparation for, or in connection with, certain advance planning activities related to the project; and (B) for the purpose of: (i) sharing planning documents and drawings; (ii) determining the utility infrastructure, utility service, or both, required to serve the project; and (iii) discussing the terms of a potential extension agreement between the utility and the applicant. Sets forth the procedures and time frame for requesting and holding a technical advisory meeting. Requires an applicant and a utility to enter into an extension agreement before construction commences on a project, regardless of whether a technical advisory meeting is requested or held. Defines an "extension agreement" as an agreement that: (1) is entered into between an applicant and a utility whose service area includes the project site of the applicant's project; and (2) sets forth the obligations and commitments of: (A) the utility and the applicant with respect to the extension of utility infrastructure to the project site; and (B) the utility and the customers to be initially served by the extension upon its installation. Sets forth the required elements of an extension agreement. Provides that before agreeing to extend utility infrastructure to a project site in connection with the project, a natural gas utility must provide the applicant with a written summary that explains the obligations and commitments that apply to: (1) the utility; (2) the applicant; and (3) the customers to be initially served by the extension of the utility infrastructure upon its installation; under the Indiana utility regulatory commission's (IURC) rule on the extension of gas distribution mains. Sets forth the information required to be included in the summary. Provides that an applicant or a utility may submit an informal complaint to the IURC's consumer affairs division in connection with the bill's provisions concerning technical advisory meetings and extension agreements. Provides that if the IURC determines that it requires additional staff to handle the volume of informal complaints submitted, the IURC may impose a fee on a party against whom a decision is rendered. Provides that the fee may not exceed the lesser of: (1) the IURC's actual costs in handling the informal complaint; or (2) \$750. Authorizes the IURC to adopt rules to implement the bill's provisions.

- SB249 MAJOR GROUND WATER WITHDRAWAL FACILITIES (DEERY S) Defines a facility as a "major ground water withdrawal facility" if: (1) the facility includes one or more wells that have the capability of withdrawing at least 10,000,000 gallons of ground water from one or more aquifers in one day; and (2) the facility is connected, or plans provide for the facility to be connected, to pipeline facilities through which at least 10,000,000 gallons of ground water withdrawn by the facility's well or wells could be transported in one day to a destination located at least 20 miles from the facility. Provides that, after June 30, 2024, a person may not establish a major ground water withdrawal facility if the ground water withdrawn by the facility will be used primarily for: (1) commercial purposes; (2) industrial purposes; or (3) a combination of commercial purposes and industrial purposes; unless the person has obtained a permit from the natural resources commission (commission). Establishes the following prerequisites to the commission's issuance of a permit: (1) Public notice of the permit application must be provided through publication on the website of the department of natural resources (department). (2) Public notice of the permit application must be provided by first class mail to the executive of the county and to the executives of certain cities or towns. (3) At least two public hearings concerning the proposed major ground water withdrawal facility must be held. (4) A written feasibility study concerning the proposed major ground water withdrawal facility must be prepared. (5) The written feasibility study must be peer reviewed. (6) The feasibility study and the written results of the peer review must be published on the website of the department. Provides that the commission shall issue the permit if: (1) all of the prerequisites are satisfied; and (2) the commission determines that the establishment of the major ground water withdrawal facility, if permitted, will fulfill the health, economic, environmental, and other needs of present and future generations of Indiana citizens. Provides that, depending on the determinations of the feasibility study and the peer review, the permit may limit the maximum amount that the major ground water withdrawal facility may withdraw and transfer per year. Provides that a permit, if issued, must require the permit holder to regularly monitor the aquifer or aquifers from which the major ground water withdrawal facility withdraws ground water and must report the monitoring data to the department. Provides that the owner of a major ground water withdrawal facility may be ordered to provide timely and reasonable compensation to the owner of a nonsignificant ground water withdrawal facility or significant ground water withdrawal facility if water withdrawals by the major ground water withdrawal facility cause the nonsignificant ground water withdrawal facility or significant ground water withdrawal facility to fail to furnish the supply of water it normally furnishes or to fail to furnish potable water.

SB259 LOCAL WASTEWATER AND CLEAN ENERGY DISTRICTS (QADDOURA F) Authorizes the metropolitan development commission of a consolidated city or city plan commission of a city other than a consolidated city (commission), following a written recommendation from the board of public works or board of public works and safety (works board) of the city, and subject to the approval of the city legislative body, to adopt a resolution designating a wastewater facility improvement district (district) as an allocation area for purposes of the allocation and distribution of property taxes, allowing incremental property tax revenue to be captured to connect properties in the district to the municipal sewer system. Provides that, before making a recommendation to the commission to establish a district, a works board must: (1) establish the boundaries of the district; (2) identify the owners of property in the district; (3) create a proposed plan; and (4) hold a public hearing. Requires the establishment of a wastewater facility improvement fund (fund) for each wastewater facility improvement district and requires the commission to administer the fund. Provides that the incremental property tax revenue from a district shall be deposited in the fund and may be used only to connect properties in the district to the municipal sewer system. Authorizes the issuance of bonds payable from the fund. Requires the commission to make an annual report on each district to the fiscal body of the city and the department of local government finance. Authorizes a local governmental unit (or two or more local governmental units) to: (1) designate an area as a clean energy improvement financing district; (2) establish a voluntary property assessed clean energy program in the district under which qualified clean energy improvements will be made in eligible properties to lower utility costs to consumers through efficient generation and consumption of energy or generate energy through local sources such as community solar facilities; (3) designate a clean energy improvement financing district; and (4) authorize within the financing district the financing of qualified clean energy improvements. Defines "qualified clean energy improvement". Defines "eligible property" as including commercial, industrial, and agricultural property, school buildings, and local government buildings, and provides that a residential property may also be an eligible property for the purposes of connecting the property to a sanitary sewer system. Makes property owner participation in a clean energy improvement program voluntary. Provides for property owners to pay for qualified clean energy improvements to their properties through assessments. Allows liens to be imposed for unpaid assessments. Allows the funding of a clean energy improvement program by the issuance of bonds or through commercial lenders, federal or state grants and loans, or local government sources. Requires the Indiana utility regulatory commission to establish technical guidelines for the administration of clean energy improvement programs.

SB265 ELIMINATION OF PROPERTY TAX ON HOMESTEADS (BASSLER E) Changes the credit for excessive property taxes for homesteads from the amount by which a person's property tax liability attributable to the person's homestead exceeds 1% of the gross assessed value of the property that is the basis for determination of property taxes for the calendar year to an amount equal to the person's property tax liability attributable to the person's homestead. Excludes from the credit any portion of a person's property tax liability that was approved by voters in a referendum and that would not ordinarily be subject to a credit for excessive property taxes. Allows a county's adopting body to adjust the tax rate imposed on the adjusted gross income of local taxpayers in the county based on the actual property taxes that were due and payable during 2024 to compensate for the amount of any tax revenue shortfall incurred as a result of the reduction in tax revenue attributable to the increase in the credit amount. For years beginning after December 31, 2024, requires the department of local government finance (department) to, before July 1 of the year in which property taxes are first due and payable, estimate the amount of any tax revenue shortfall incurred by the county in the year in which the property taxes are first due and payable as a result of the reduction in tax revenue attributable to the increase in the credit amount. For years beginning after December 31, 2024, allows a county's adopting body to adjust the tax rate imposed on the adjusted gross income of local taxpayers in the county in accordance with the estimate to compensate for the amount of any property tax revenue shortfall incurred by the county in the year in which the property taxes are first due and payable as a result of the reduction in tax revenue attributable to the increase in the credit amount. Provides that the maximum tax rate that may be imposed on the adjusted gross income of local taxpayers in a county after an adjustment may not exceed 2.9% in addition to: (1) the maximum allowed property tax relief rate in the county; (2) the maximum allowed local income tax expenditure rate in the county; and (3) the maximum allowed special purpose tax rate in the county. Provides that a county's adopting body, at its discretion, may increase the adjustment by an additional rate of 0.25%. Requires the revenue collected as a result of the adjustment to the tax rate imposed on the adjusted gross income of local taxpayers in the county to be treated as property taxes for all purposes. Requires the department to approve, in a manner determined by the department, the estimate, the corresponding adjustment, and the use of the revenue for each county. Increases, from \$3,000 to \$9,000, the amount an individual who rents a dwelling for use as the individual's principal place of residence may deduct from the individual's adjusted gross income. Allows a city, county, or town to bring a nuisance action against a tenant or other person responsible for a nuisance. Defines "essential services" as certain services needed for the safe and habitable occupation by a tenant of the tenant's rental unit. Defines "essential systems" as certain systems used to deliver essential services to a rental unit. Requires a landlord to provide and maintain a rental premises that is free from the following: (1) Pests, including rodents and invasive insects. (2) Mold. (3) Rot. Sets forth a procedure for a tenant to use to initiate a request for repairs. Requires a landlord to repair or replace an essential system not later than 72 hours after being notified by a tenant that the tenant's rental unit is without essential services under certain circumstances. Allows for certain remedies to the tenant for the landlord's noncompliance, including a procedure for the deposit of rent that is due with the clerk of the court if the landlord fails or refuses to make repairs or take remedial action. Provides that, during the pendency of a court action brought by a tenant, the court may order the tenant to make the regular rental payments otherwise due under the rental agreement to the clerk of the court or an attorney trust account, to be held in trust for disbursement to the prevailing party, as ordered by the court. Provides that a landlord may apply for release of rent deposits. Provides that, after June 30, 2024, a landlord may not manage a rental property in Indiana unless the landlord: (1) is authorized to do business in Indiana; (2) maintains an office at one or more physical locations in Indiana; or (3) appoints an Indiana licensed real estate broker or broker company to manage the rental property.
