

March 2024

Dear Colleague:

I hope you are doing well! Enclosed is the 2024 Indiana Municipal Management Association dues form. IMMA, for the first time in over a decade, is boosting our membership dues from \$100 to \$150. This is being done to keep pace with the rising cost of doing business, while continuing to provide an ever-growing number of benefits. Participating in IMMA is a tremendous resource to those people who hold positions such as ours. You can also access potential solutions to specific issues in your community by using the municipal managers listserv. IMMA provides exceptional networking opportunities, in person when most feasible, but also using technology to host virtual meetings. We are diligent in providing you with the content necessary to be successful in your position.

This year our **Annual Conference will be held April 24–26 in Yorktown**. I'm excited to welcome you to my community and encourage you to join us for the informative, fun, and energizing event. More information, including registration and hotel details are enclosed. Please reserve your spot by Tuesday, April 16! Please make sure to Also save this date for the **IMMA Leadership Luncheon** to be held Thursday, September 5, in Plainfield.

If you are presently a member, thank you so much for being a part of IMMA. Your participation is very much appreciated and has a lasting impact on the entire organization. For those who may have been inactive for a while, or who have never participated, I am asking that you please consider joining the over 60 community leaders who chose to be a part of this stellar group. As municipal managers, we are very often the people others turn to for answers and guidance, so IMMA needs your expertise, experience, and input.

Along with keeping our manager base solid and constant, we also have a focus on bringing in affiliate members. These efforts will only enhance our organizational depth, opening up opportunities for future board roles and the ultimate goal– filling future professional manager positions throughout the state. So, if you have a staffer or two who shows real potential, please give every consideration to signing them up as an affiliate member and start the learning process!

Acknowledging that not all budgets are created equal, IMMA does provide a 50% discount on any membership renewal, in the event of financial hardship. We also make available a 50% discount for any new affiliate memberships. IMMA is allocating \$1,000 toward discounts, on a first come, first serve basis. The Municipal Manager must submit a written request to Erin Jamison–Koenig at ejamisonkoenig@aimindiana.org seeking assistance.

By working together, IMMA members can connect and share successes and disappointments, while also solving challenges and creating learning opportunities to benefit our communities.

On behalf of the IMMA Board of Directors, I thank you for your support of and commitment to municipal management and for making your communities as strong as possible.

Sincerely,

Chase Bruton
