ROUNDTABLES

There is a lot that Indiana's towns and cities have in common and collaboration with one another is among the many things driving Indiana's economy. Aim gathers leaders from Indiana's towns and smaller cities to touch base with a purpose of building relationships, strengthening regional ties, and hearing from state agencies and experts in topics of great interest to our more rural communities. The good food and conversation is a bonus of these events!

This event wouldn't be possible without the support of our sponsors. Please thank Baker Tilly Municipal Advisors, LLC, Boyce Systems, Commonwealth Engineers, Inc., and HWC Engineering for their steadfast support of Aim and the Aim Roundtables for towns and small cities!

You'll notice that this series doesn't cover all regions of the state. We often switch up the locations and we look forward to being in a region near you in the future! Can't wait? Join us and you just might get a nod for traveling the farthest! Is there a restaurant near you that draws crowds from miles away? Does it have enough room for you and 70 of your peers? Let us know and we'll investigate it for a future Aim Roundtable.

PROGRAM (Based on Local Time)

5:00 p.m. – 5:30 p.m.	Registration
5:30 p.m. – 6:00 p.m.	Welcome and Introductions Aim at Work Reporting on everything from legislation to events, this quick report will summarize what we are working on at Aim. It's also a great time to ask any questions you have for the on-site Aim team! Aim Roundtable Sponsors at Work Without our Roundtable sponsors, we wouldn't be able to take this show on the road! With lightning speed, so they don't stand between you and your dinner, our sponsors will give you some key facts about their services and wish you bon appetit!
6:00 p.m. – 7:00 p.m.	Working Dinner The heart of every Hoosier community should be a place that perfectly represents what makes your town or small city special. One strategy for doing so is becoming an Indiana Main Street community or better utilizing your current organization. Joining us for each Aim Roundtable will be a representative from the Office of Community and Rural Affairs' Main Street Program. Participants will learn about the program and what it takes to participate, best practices among Main Street Communities, and real success stories among your small community peers. Time permitting, some of Aim's partners will discuss programs that help build on your downtown momentum.
7:00 p.m. – 8:00 p.m.	Your Community at Work What are you working on back home? Nominate a person from your community to give a brief report to let everyone know about an exciting project, recent success, or challenge you're facing. We'll also hear from any special guests representing state and federal government. This is an important part of the Aim Roundtable experience and the segment where many ideas are shared and then duplicated in other communities!

JOIN US AT ONE OF THESE LOCATIONS!

BOONVILLE (CDT)
WARRICK COUNTY
Wednesday, October 23
 Quail Crossing Golf Club
 5 Quail Crossing
