

January 2025

Dear Colleague,

YORKTOWN
INDIANA

I hope this letter finds you well! Enclosed is the 2025 Indiana Municipal Management Association (IMMA) dues information. Last year, we increased annual dues to \$150 to keep up with rising costs while continuing to expand the valuable benefits we provide. IMMA remains an incredible resource for professionals in our field, offering access to potential solutions for your community's specific challenges through the municipal managers listserv. Additionally, IMMA provides outstanding networking opportunities, both in-person and virtually, ensuring you have the tools and connections to thrive in your role.

This year, our **Annual Conference will take place from Wednesday, June 4, to Friday, June 6, in Clarksville.** Town Manager Kevin Baity is eager to host this informative, engaging, and enjoyable event in his community. More information, including registration and hotel details will be sent out a little later in the year. Please also save the date for **the IMMA Leadership Luncheon, to be held Thursday, September 4, in Plainfield.**

If you are already a member, thank you for your continued involvement in IMMA. Your participation is invaluable and strengthens the organization as a whole. If you've been inactive for some time or have yet to join, I encourage you to consider becoming part of this outstanding group of over 60 community leaders. As municipal managers, we are often the go-to resource for answers and guidance, and IMMA thrives on the collective expertise, experience, and insights of its members.

We're also focused on growing our affiliate membership to enhance our organizational depth and develop future leadership within IMMA. If you have team members who show great potential, please consider signing them up as affiliate members to begin their professional growth journey.

Recognizing that budget constraints vary, IMMA offers a 50% discount on membership renewals for those facing financial hardship. New affiliate memberships are also eligible for a 50% discount. IMMA has allocated \$1,000 toward these discounts, available on a first-come, first-served basis. To request assistance, please submit a written request to Erin Jamison-Koenig at ejamisonkoenig@aimindiana.org.

Together, IMMA members can connect to share successes, navigate challenges, and create learning opportunities that benefit our communities. On behalf of the IMMA Board of Directors, thank you for your dedication to municipal management and your efforts to strengthen our communities.

Sincerely,

Chase Bruton

Town Manager, Town of Yorktown & 2024 – 2025 IMMA President
