Redevelopment Association of Indiana (RAI) members and potential members,

What an exciting year for redevelopment and economic development projects in Indiana. The approval and announcements that occurred have ensured that Indiana will remain at the top of the list for attracting talent and being a place Hoosiers want to call home. Working together and learning from each other is one way we can continue to aim high for new project development. Collaborating with additional redevelopment partners is another way we stay at the top of our game. We look forward to seeing what 2025-2026 will hold and want all of you to continue to or join us in what is sure to be an incredible time in Indiana.

See you all in Carmel on July 10, 2025 for the RAI meeting and site tour.

Thank you for your consideration. Please reach out to Kyle Lubelski at klubelski@aimindiana.org with any questions about membership. For questions about RAI meetings, please contact Becca McCuaig at bmccuaig@aimindiana.org.

Sincerely,
