HOUSING MATTERS (MILLER D) Provides the following are permitted uses that are approved without a hearing: (1) Single family dwellings and townhouses in residential zones. (2) An accessory dwelling unit within a single family dwelling. (3) Affordable housing on property purchased by a religious institution before January 1, 2025, in a residential or commercial zone. Provides that the following apply to a unit, if the unit does not adopt an ordinance to opt out: (1) Prohibits a unit from requiring more than a specified number of parking spaces for multi-family dwelling units, single family dwellings, or commercial space. (2) Prohibits a unit from regulating design elements of residential structures. (3) Requires a mixed use residential or multi-family residential development to be a permitted use in an area zoned for commercial use. (4) Prohibits a unit from imposing requirements on lot sizes, density, setbacks, and building bulk on certain lots or parcels. Allows residential buildings that have: (1) five or six floors, to have single stair, if certain requirements are satisfied; and (2) not more than six stories and 24 units, to have a passenger elevator larger than an elevator that accommodates a wheelchair. Adds requirements regarding the location of impact zones designated by a unit after June 30, 2026. Provides that after December 31, 2026, if a unit fails to update its zoning ordinance within one year after adopting or amending its comprehensive plan, the unit must approve a project that complies with the comprehensive plan or the zoning ordinance. After December 31, 2026, restricts a unit's ability to impose and increase fees related to building approvals and permits. Delays implementation of building permit increases to 180 days after publication of the ordinance. Beginning January 1, 2027, requires a unit to annually report to the Indiana housing and community development authority and legislative services agency regarding the number of housing proposals submitted to the unit, and approved or denied by the unit during the preceding year. Resolves conflicts for IC 36-2-4-8, which was amended by both P.L.22-2021 and P.L.152-2021.

HB1002

ELECTRIC UTILITY AFFORDABILITY (SHONKWILER A) Requires an electricity supplier that is under the jurisdiction of the Indiana utility regulatory commission (IURC) to do the following: (1) Beginning with the first monthly billing cycle that begins after June 30, 2026, apply a budget billing plan (plan) to all active residential customer accounts to which a plan does not already apply. (2) Not later than April 1, 2026, offer each customer a mechanism by which the customer may opt out of a plan at any time without penalty. (3) Not later than July 1, 2026, for any plan offered by the electricity supplier and applied to an active customer account, amend or design the plan so that plan's account reconciliation mechanism is applied at least two times during a calendar year. Authorizes the IURC to adopt rules to implement these provisions. Provides that on any day for which an extreme heat warning issued by the National Weather Service is in effect in a county or region within an electric utility's assigned service area, the electric utility may not terminate residential electric service for a customer who: (1) receives residential electric service from the electric utility at a location for which the extreme heat warning is in effect; and (2) has been determined to be eligible for assistance under the state's energy assistance program during the calendar year in which the extreme heat warning is in effect. Provides that if electric service is terminated for such a customer at any time after an extreme heat warning has been issued and remains in effect, the electric utility shall restore the terminated service as soon as practicable after the warning is issued and may not resume the service termination until after the warning is no longer in effect. Provides that an investor owned electricity supplier that is under the jurisdiction of the IURC for the approval of rates and charges must petition the IURC for approval of any change in its basic rates and charges through the submission of a three year, multi-year rate plan (MYRP). Beginning in 2027, requires each electricity supplier to file its first petition with the IURC for approval of an MYRP according to a prescribed schedule. Provides that the base rates: (1) for the first rate year of an MYRP shall be established by the IURC in the same manner that base rates would be established in a proceeding for a change in basic rates and charges that occurs outside an MYRP; and (2) for the second and third rate years of an MYRP shall be established using current or forward looking data adjusted to reflect an electricity supplier's actual Indiana financial performance results based on the most current available data. Provides that for each rate year in an electricity supplier's MYRP, the following apply: (1) A customer affordability performance metric and an associated customer affordability performance incentive mechanism (PIM) that: (A) is based on the electricity supplier's performance in meeting the customer affordability performance metric; and (B) provides financial rewards or penalties to the electricity supplier based on that performance. (2) Two service restoration performance metrics and two associated PIMs that: (A) are based on the electricity supplier's performance in meeting the service restoration performance metrics; and (B) provide financial rewards or penalties to the electricity supplier based on that performance. Sets forth the methods by which the IURC must calculate the prescribed performance metrics and determine the associated PIMs. Sets forth specified findings the IURC must make in approving an electricity supplier's MYRP. Provides that at any time before the expiration of an electricity supplier's approved MYRP, the IURC may, upon its own motion, or at the request of the electricity supplier, do any of the following: (1) Examine the reasonableness of the electricity supplier's rates under the MYRP. (2) Conduct periodic reviews with opportunities for public hearings and comments. (3) Adjust the base rates or PIMs under the MYRP as

necessary to ensure that the MYRP continues to satisfy specified criteria. Beginning in 2029, requires the IURC to include in its annual report certain information about: (1) the status of electricity suppliers' MYRP filings and current MYRPs; (2) electricity suppliers' calculated performance metrics for the current rate year; and (3) the impact of all applicable PIMs on customer rates. Requires the IURC to adopt rules to implement these provisions. Requires an electricity supplier that is under the jurisdiction of the IURC to offer, not later than July 1, 2026, a low income customer assistance program (program) that provides financial assistance to low income residential customers for the payment of monthly bills for utility service. To the extent applicable, requires an electricity supplier to annually allocate to the electricity supplier's program an amount equal to at least 50% of the amount of lost revenues recovered by the electricity supplier during the most recently concluded calendar year as approved program costs associated with an energy efficiency program offered by the electricity supplier. Provides that if a customer who applies for assistance is eligible for assistance under the program, the electricity supplier shall enroll the customer in the program. Provides that an electricity supplier may, but is not required to, petition the IURC for approval to recover eligible program costs. Provides that "eligible program costs" do not include costs recovered through program contributions that are provided at no cost to the electricity supplier by or through any governmental agency or program or other third party. Beginning in 2027, requires the IURC to include each year in its annual report specified information concerning each electricity supplier's program with respect to the most recently concluded state fiscal year. Requires the IURC to adopt rules to implement these provisions.

HB1033

VARIOUS JUDICIAL MATTERS (LOPEZ D) Requires that, in a county having a consolidated city, the chief judge must: (1) be appointed to the community corrections advisory board; and (2) appoint the second judge and a mental health representative. Defines "full court" as the total of all Marion County superior court judges who are appointed and serving as judges. Specifies that if a newly appointed judge is filling a vacancy of a judge whose term ends the same year as the appointment, the newly appointed judge shall serve a term that expires on December 31 of the sixth full year following the appointment. Requires the Marion County judicial selection committee (judicial selection committee) to nominate a minimum of three candidates to the governor when a judicial vacancy exists and allows the governor to appoint any of the nominated candidates when filling more than one vacancy. Replaces the term "presiding judge" with "chief judge" within the Marion County superior court. Requires the judicial selection committee to determine that a judge is suitable to retain judicial office before a judge's request for retention may be placed on the ballot. Establishes a procedure with specific deadlines for a judge who wishes to stand for retention in 2026. Repeals and replaces a provision concerning the procedure to select the Marion County judicial executive committee (executive committee) and certain court provisions. Provides that, for an executive committee starting a term on January 1, 2027, and for the selection of each committee thereafter, the full court shall meet not later than November 15 in the final year of the executive committee's term to select the next executive committee. Requires a two-thirds vote of the sitting judges who will hold office on January 1 of the next year to select members of the executive committee. Requires the judicial selection committee to appoint the chief judge. Increases the term of an executive committee member of the Marion County judiciary from two years to three years. Specifies which duties are the responsibility of the full court and which are to be determined by a trial judge. Describes the duties and authority of the executive committee. Provides that any action taken by the executive committee may only be overruled by a majority vote of 85% of the full court sitting at the time the vote is taken. Provides that a majority vote of 85% of the full court, serving at the time the vote is taken, is required to remove a member of the executive committee. Removes a requirement that the executive committee requires the approval of two-thirds of the judges to determine the number of judicial officers and personnel required to serve the court. Provides that the judge of the circuit court has exclusive authority to appoint commissioners or magistrates allocated to the circuit court. Provides that the executive committee has exclusive authority to appoint commissioners or magistrates allocated to the superior court, and the commissioners and magistrates appointed serve at the pleasure of the executive committee. Specifies that the executive committee

has final authority for all employment decisions regarding commissioners and magistrates. Repeals a provision that allows the presiding judge to appoint a magistrate and allows the executive committee to appoint 28 magistrates. Repeals a provision that allows a party to a superior court proceeding to request an elected judge to preside over the proceeding instead of the magistrate. Requires a voting member of the justice reinvestment advisory council to cast a vote in person. Requires that, in a county having a consolidated city, the chief judge or a judge appointed by the chief judge be the chair of the local justice reinvestment advisory council. Provides that a local or regional advisory council may only take action upon the affirmative vote of the members and a member must cast a vote in person. Makes conforming changes.

VARIOUS IMMIGRATION MATTERS (PRESCOTT J) Provides that if a law enforcement officer, governmental body, or postsecondary educational institution is made a party to a civil suit and the attorney general determines that the suit has arisen out of certain acts, the attorney general shall defend the law enforcement officer, governmental body, or postsecondary educational institution throughout the action. Clarifies that the enforcement of federal immigration laws may be carried out by federal, state, or local law enforcement. Removes the mens rea standard in the statute concerning governmental bodies or postsecondary institutions violating the citizenship and immigration status information and enforcement of federal laws chapter. Provides that a governmental body that has the custody of an individual who is the subject of an immigration detainer request shall: (1) provide the judge authorized to grant or deny the individual's release on bail notice that the individual is subject to an immigration detainer request; (2) record in the individual's case file that the individual is subject to an immigration detainer request; (3) comply with the immigration detainer request; and (4) inform the individual that the individual is being held pursuant to an immigration detainer request. Provides immunity to a governmental body or an employee of a governmental body for any action taken concerning an immigration detainer request. Prohibits a political subdivision from taking certain actions to aid, assist, incentivize, or facilitate the migration of any alien or class of aliens into Indiana. Provides that if the attorney general determines that probable cause exists that a governmental entity has not complied with an immigration detention request, the attorney general may bring a court action to: (1) enjoin an act or practice constituting a violation of an immigration detention request; and (2) impose a civil penalty for noncompliance with an immigration detention request. Requires a judge who receives notice that an individual is subject to an immigration detainer request to ensure that the notice of the immigration detainer request is recorded in the court's record. Prohibits an employer from knowingly or intentionally recruiting, hiring, or employing an unauthorized alien. Provides that if the attorney general determines that probable cause exists that an employer has recruited, hired, or employed an unauthorized alien, the attorney general may enjoin the action and seek the suspension of the employer's operating authorizations. Provides that a governmental entity that employs a prosecuting official is entitled to investigative costs and costs in an indecent nuisance action.

- HB1139 ASSESSMENT OF PROPERTY (LEDBETTER C) Provides that all tangible property that is subject to assessment shall be assessed on a just valuation basis and in a uniform and equal manner regardless of: (1) who owns the tangible property; or (2) who the person or entity is that is liable for property taxes due on the tangible property. Requires a county assessor to, as soon as possible, post an approved reassessment plan on the department of local government finance's (DLGF) website and any transparency portal developed by the state regarding public information. Provides that if an assessor changes the underlying parcel characteristics, including property classification or agricultural land type, of a property, based on verifiable evidence of a change in use, the assessor shall provide notice to the property owner that includes all verifiable evidence used to change assessment methods from agricultural land and document each change and the reason that each change was made for any class of property. Provides that land shall be assessed or reassessed as agricultural land only when it is devoted to agricultural use regardless of: (1) who owns the land; or (2) who the person or entity is that is liable for property taxes due on the land. Requires the DLGF to inform assessors and the presidents of county councils in writing if it finds that: (1) the reassessment of a group of parcels under a county's reassessment plan or other property assessment activities are not being properly conducted; (2) work required to be performed by local officials is not being properly conducted; or (3) property assessments are not being properly made. Provides that the failure of the DLGF to inform local officials shall be construed as an indication by the DLGF that assessment activities are being conducted properly. Requires the DLGF, if it determines that assessment activities are not being conducted properly, to order a state conducted assessment or reassessment.

VARIOUS PUBLIC SAFETY MATTERS (LAWSON E) Requires a vendor or provider of an ignition interlock device to register an ignition interlock device with the department of toxicology. Eliminates a requirement for the director of the state department of toxicology to provide periodic reports to the Indiana criminal justice institute (institute) regarding the number of ignition interlock devices used in Indiana. Provides that a registered ignition interlock device must be installed in a motor vehicle in accordance with the manufacturer's instructions for installing the registered ignition interlock device. Codifies administrative rules adopted by the state department of toxicology relating to ignition interlock devices. Provides that prior to being issued an initial license to operate a child care center, the child care center must be inspected and found to be in substantial compliance with applicable building and fire safety laws by the department of homeland security. (Current law provides that a license may be issued only if the child care center is in substantial compliance with the fire and life safety rules as determined by the state fire marshal under rules adopted by the division of family resources (division) or in accordance with a variance or waiver approved by the division.) Provides that prior to being issued an initial registration to operate a child care ministry, the unlicensed child care ministry must be inspected and found to be in substantial compliance with applicable building and fire safety laws by the department of homeland security. Provides that the department of homeland security shall perform inspections of: (1) child care ministries; (2) child care centers; (3) child caring institutions; and (4) group homes. Provides that a license or registration to operate a child care center or child care ministry may be revoked if the division determines that the operator has failed to comply with an order of the department of homeland security. Provides that the operator of an unlicensed child care ministry shall maintain a copy of the most recent department of homeland security inspection findings in a conspicuous place in the unlicensed child care ministry. Provides that the department of child services is not required to consult with the fire prevention and building safety commission when adopting administrative rules pertaining to the licensing and inspection of child care institutions, foster family homes, group homes, and child placing agencies. Provides that administrative rules of the fire prevention and building safety commission must include minimum building and safety requirements applicable for child caring institutions. Provides that prior to being issued an initial license to operate a child caring institution or group home, the child caring institution or group home must be inspected and found to be in substantial compliance with applicable building and fire safety laws by the department of homeland security. Provides that a license or registration to operate a child caring institution or group home may be revoked if the department of child services determines that the operator has failed to comply with an order of the department of homeland security. Provides that in order for an individual to receive a license from the emergency medical services commission, the individual must obtain a national criminal history background check and authorize release of the results of the check to the department of homeland security. Eliminates the requirement for the institute to adopt administrative rules relating to the child restraint system account. Provides that inspections conducted by the department of homeland security shall be conducted periodically in lieu of established periods. Changes a reference, from the department of education to the office of school safety, relating to the duties of a school safety specialist. Repeals: (1) provisions relating to public safety improvement areas; (2) a provision requiring the board of trustees of the institute to adopt rules relating to the law enforcement assistance fund; (3) a provision that authorizes the state fire marshal to charge a child care ministry a \$50 fee for processing a registration; (4) a provision requiring the institute to review characteristics of offenders committed to the department of correction over such period of time it deems appropriate and of the offenses committed by those offenders in order to ascertain norms used by the trial courts in sentencing; (5) a provision requiring the bureau of motor vehicles and the institute to enter into a memorandum of understanding to administer the provisions relating to ignition interlock devices; and (6) a provision that requires the institute to adopt rules relating to ignition interlock devices.

- HB1205 ANNEXATION (HALL D) Requires a municipality that initiates an annexation to file an annexation petition (petition) with a court signed by: (1) at least 51% of the owners of non-tax exempt land in the annexation territory; or (2) the owners of at least 75% in assessed valuation of non-tax exempt land in the annexation territory. Eliminates: (1) remonstrances and waivers; (2) reimbursement of remonstrator's attorney's fees and costs; (3) settlement agreements in lieu of annexation; (4) contiguity of a public highway provisions; and (5) a required fiscal plan for certain super voluntary annexations. Reduces the number of outreach meetings from six to three. For super voluntary annexations, requires a municipality to: (1) hold a hearing on the petition within 90 (instead of 30) days; (2) adopt an annexation ordinance within 120 (instead of 60) days. Allows a super voluntary annexation of noncontiguous land for business, industrial, or residential development, if: (1) the landowner and municipal utility agree on the provision of gas, electric, water, or sewer service to the property; and (2) the county executive timely approves the petition. Allows noncontiguous land annexed in a super voluntary annexation to be used for additional voluntary or super voluntary annexations of contiguous land. After December 31, 2026, allows signatures on petitions to be gathered by mail. Provides that annexation territory that is divided by railroad tracks satisfies contiguity requirements, if the territory on at least one side of the railroad tracks is contiguous to the municipality. Grandfathers in annexations that adopt: (1) a fiscal plan before March 30, 2026; or (2) an annexation ordinance before March 30, 2026 (if a fiscal plan is not required by current law). - HB1210 DEPARTMENT OF LOCAL GOVERNMENT FINANCE (SNOW C) Requires a municipal entity that hires or retains a municipal adviser to complete a competitive process at least once every two years to select the municipal adviser. Requires the municipal entity to publish a contract in a prominent location on the municipal entity's website. Eliminates the requirement that the department of local government finance (DLGF) work with the office of technology or another organization that is part of a state educational institution for purposes of posting information on the Indiana transparency website and submitting forms regarding data for local units. Makes changes to procedures regarding the reporting by county assessors of assessment values of real and personal property and parcel level data. Changes the deadline by which a county must submit to the DLGF data regarding real property, personal property, and geographic information system information from September 1 to July 1 of each year. Requires the purchaser of a mobile home to process the paperwork with the bureau of motor vehicles to transfer the title into the purchaser's name within 90 days of the sale. Eliminates provisions allowing certain entities to petition for increases to the maximum ad valorem property tax levy for their firefighting and emergency services fund, fire protection districts, and fire protection territories. Makes procedural changes for civil taxing units not subject to levy limits. Adds the county option circuit breaker tax credit and local property tax credits to the list of credits that result in a reduction of property tax collections in a political subdivision in which such a credit is applied. Specifies the procedures for the submission of certain forms and related allocation amounts with regard to various allocation areas. Provides that if a redevelopment commission (commission) fails to provide proper notice, the county auditor shall allocate 5% of the relevant assessed value in the allocation area to the respective taxing units. Provides that if the commission notifies the county auditor and the DLGF that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units,

then the county auditor may not allocate 5% of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds to the respective taxing units. Removes language regarding the submission and approval, by the DLGF, of a proposed notice, ordinance, or resolution of an adopting body or another governmental entity. HB1276 COMPETITIVE ELECTRIC GENERATION SERVICE (LEDBETTER C) Provides that beginning: (1) July 1, 2028, for industrial customers; (2) January 1, 2029, for commercial customers; and (3) July 1, 2029, for residential customers; a customer of an electricity supplier may elect to receive competitive electric generation service directly from a retail electric provider. Requires an electricity supplier to do the following not later than June 30, 2028: (1) Unbundle the cost components of: (A) electric generation services; and (B) electric transmission and distribution services; in the electricity supplier's tariffs for all customer classes. (2) Functionally separate all: (A) electric generation and supply services; and (B) transmission and distribution services; within the electricity supplier's operations. (3) Divest the electricity supplier's generation assets not otherwise needed to provide default electric generation service to customers within the electricity supplier's service area after the implementation of competitive electric generation service. Provides that, except for the licensing requirements for retail electric providers set forth in the bill, competitive electric generation service is not subject to regulation by the Indiana utility regulatory commission (IURC). Provides that the IURC shall continue to regulate: (1) default electric generation service; and (2) transmission and distribution service; provided by an electricity supplier to customers within the electricity supplier's service area. Provides that rates charged by electricity suppliers for default electric generation service must be: (1) based on market prices; and (2) subject to annual comparisons to regional averages for comparable service. Provides that not later than January 1, 2027, the IURC shall initiate a stakeholder proceeding to develop a customer education program

to ensure that all retail electric customers have access to accurate information about the availability of, and options for, competitive electric generation service in advance of the applicable dates set forth in the bill by which competitive electric generation service must be available to specified customer classes. Requires the IURC to establish, not later than March 1, 2028, an online portal that enables customers to compare competitive electric generation service offered by retail electric providers. Requires the IURC to establish by rule requirements for an electricity supplier to provide to a retail electric provider historical usage data for a customer that seeks to receive competitive electric generation service from the retail electric provider. Sets forth: (1) specified billing arrangements that must be offered to customers receiving competitive electric generation service; and (2) the dates by which each arrangement must be made available. Requires the IURC to issue a general administrative order to ensure that the following are available to customers not later than December 31, 2029: (1) An expedited process for residential customers to change retail electric providers. (2) A process that allows: (A) residential customers; or (B) small commercial or industrial customers; that move from one service location to another within their electricity supplier's service area to have their competitive electric generation service transferred directly to the new location. Requires the IURC to establish by rule a licensing process for retail electric providers that seek to provide competitive electric generation service to customers in Indiana. Sets forth certain requirements that a retail electric provider must meet as a condition of receiving and maintaining a license. Authorizes the IURC to initiate an investigation to consider, and establish guidelines for, the offering by retail electric providers of additional services or programs in conjunction with the provision of competitive electric generation service. Beginning in 2029, requires the IURC to include each year in its annual report specified information concerning the provision of competitive electric generation service by retail electric providers. Requires the legislative services agency to prepare legislation for introduction in the 2028 regular session of the general assembly to make conforming amendments to: (1) Title 8 of the Indiana Code; and (2) other provisions outside of Title 8 of the Indiana Code; as necessary to implement the bill's provisions.

- HB1411 TAX SALE PROCEDURES (ENGLEMAN K) Reduces the period to redeem tax sale property as follows: (1) For real property sold to a land bank, the redemption period is six months (rather than one year). (2) For real property on which the county executive acquires a lien (including an assignment of the lien to a political subdivision or to a land bank) and the certificate of sale is not sold, the redemption period is 90 days (rather than 120 days). (3) For real property on which the county executive acquires a lien and the certificate of sale is sold or assigned to a land bank, the redemption period is 90 days (rather than 120 days). (4) For real property that a court determines is not suitable for tax sale, the redemption period is 90 days (rather than 120 days). Modifies the length of time in which notice must be provided to: (1) the owner of record; and (2) any person with a substantial interest of public record in the real property; for purposes of seeking a tax deed to account for the reductions to the redemption periods. For property that a court determines is not suitable for tax sale, provides that if the property is disposed within one year (rather than three years) after the conclusion of the tax sale at which the property would have been offered for sale, any amount received in excess of the amount of the minimum bid will be disbursed in the same manner as if the property had been sold in the tax sale. Makes a related change to the period to make a claim for any surplus in the tax sale

surplus fund for properties certified as not suitable for sale. Specifies that a county auditor shall not issue or record a tax deed unless certain requirements are met not later than 90 days (rather than 150 days) after the date of the hearing at which a court grants the tax sale buyer's petition for the tax deed.

HB1422 IMMIGRATION MATTERS (PAYNE Z) Requires certain state agencies to give hiring preference to an individual who is a citizen or national of the United States over another individual who is an alien if the two individuals are equally qualified. Provides that the state agencies may not sponsor an individual for a new H-1B visa after July 1, 2026, unless certain information is submitted to the attorney general and the attorney general approves the state agency sponsoring the individual. Requires the state agencies to prepare and submit a report that includes certain information regarding each employee the state agency sponsored for a new H-1B visa during the immediately preceding state fiscal year. Requires the attorney general to post the reports on its website. Prohibits the state or a political subdivision from directly or indirectly funding services related to an immigration proceeding to an individual with unlawful status or to an entity that is a party to a legal action for the purpose of challenging, obstructing, or delaying the enforcement of certain federal immigration laws. Provides a private right of action for a violation of this prohibition.

- SB10 STATE EMPLOYEE RETIREMENT BENEFITS (ROGERS L) Requires the state to make contributions after December 31, 2026, that match, dollar for dollar, each state employee's deferred compensation contributions, not to exceed \$28 per paycheck. Specifies limitations on state contributions, including the availability of biennial appropriations and other amounts transferred. Allows in certain circumstances the budget agency to suspend contributions, resume contributions, and make contributions that were missed due to suspension. Requires the interim study committee on pension management oversight (PMOC) to study in each odd-numbered year whether the maximum state contribution should be increased and make a recommendation to the budget agency if it determines that the maximum contribution should be increased. Allows the budget agency to increase the maximum state contribution following a recommendation from PMOC. Specifies a process by which portions of the funding sources for the retirement medical benefits account must be transferred to the state comptroller for the purpose of making matching contributions. Provides as a default rule that after December 31, 2026, each participant's membership in the retirement medical benefits account is terminated, participant subaccounts are forfeited, and subaccount amounts must be transferred to the state general fund. Specifies exceptions. Requires the state comptroller to transfer certain amounts from the state general fund to each participant's defined contribution plan. Specifies a time frame within which a participant in the retirement medical benefits account may elect to remain a participant. Establishes the 2027 retiree health benefit trust. Provides that the retiree health benefit trust fund will be terminated when certain conditions are met. SB14 PENSION MATTERS (ROGERS L) Modifies the definition of "average of the annual compensation" for a member of the public employees' retirement fund (PERF) who retires after December 31, 2027. Specifies that compensation received in contemplation of retirement is excluded from the average of the annual compensation for particular members of PERF and the Indiana state teachers' retirement fund (TRF). Repeals a provision requiring the board of trustees of the Indiana public retirement system (board) to maintain separate accounts for each unit of local government. Provides that amounts forfeited under the public employees defined contribution plan must be used as determined by the board. (Current law requires these amounts to be used to reduce the unfunded accrued liability of PERF.) Specifies a process by which a fully vested member of the public employees' defined contribution plan or the teachers' defined contribution plan may irrevocably elect to participate in PERF or TRF, as applicable. Modifies the information that must be included in a delinquency notice to a delinquent political subdivision. Modifies the requirements that apply to certain PERF members purchasing and claiming years of service credit in PERF. Allows, subject to particular requirements, certain TRF members to purchase and claim years of service credit in TRF. Allows a PERF or TRF member's employer to pay all or part of the member's contributions required for purchase of service credit. Allows an employee of a political subdivision to make a wage assignment for the purpose of paying voluntary contributions to a tax deferred retirement account. Provides that a municipality, a unit, an airport authority, a school corporation, or a charter school may require certain members of PERF to continue as members of that fund instead of the 1977 police officers' and firefighters' pension and disability fund. Makes conforming amendments. (The introduced version of this bill was prepared by the interim study committee on pension management oversight.)

IMMIGRATION MATTERS (BROWN L) Provides that if a certain law enforcement officer, governmental body, or postsecondary educational institution is made a party to a civil suit and the attorney general determines that the suit has arisen out of certain acts, the attorney general may defend the law enforcement officer, the governmental body, or the postsecondary educational institution throughout the action and shall defend such entities if required by statute. Provides that the prohibition on governmental bodies or postsecondary educational institutions limiting or restricting the enforcement of federal immigration law applies regardless of whether the enforcement is carried out by a federal, state, or local law enforcement agency. Removes the mens rea standard in the statute concerning governmental entities or postsecondary institutions violating the citizenship and immigration status information and enforcement of federal laws chapter. Provides that a governmental body that has the custody of an individual who is the subject of an immigration detainer request shall: (1) provide the judge authorized to grant or deny the individual's release on bail notice that the individual is subject to an immigration detainer request; (2) record in the individual's case file that the individual is subject to an immigration detainer request; (3) comply with the immigration detainer request; and (4) inform the individual that the individual is being held pursuant to an immigration detainer request. Requires a judge who receives notice that an individual is subject to an immigration detainer request to ensure that the notice of the immigration detainer request is recorded in the court's record. Prohibits an employer from recklessly or intentionally hiring or employing an unauthorized alien. Requires the department of correction to adopt minimum standards for county jails to ensure proper cooperation between a jail and the United States Immigration and Customs Enforcement, including enforcement of statutory requirements concerning immigration detainees. Requires the office of the secretary to submit a report to the legislative council concerning certain information. Provides that if the attorney general, an agency, or a law enforcement agency determines that probable cause exists that an employer has hired or employed an unauthorized alien the agency, attorney general, or law enforcement agency shall provide notice to the United States Department of Homeland Security and the commissioner of labor. Provides that a governmental entity that employs a prosecuting official is entitled to investigative costs and costs in an indecent nuisance action.

VARIOUS TAX MATTERS (QADDOURA F) Provides that the overall local income tax (LIT) rate cap (excluding certain special purpose LIT rates) is 3.75% beginning in 2028. ~ (Under current law, the overall rate cap is 3.75% in every county other than Marion County and 4.0% in Marion County and is scheduled to be reduced to 2.9% in all counties in 2028.) Repeals provisions that require counties and municipalities to readopt their LIT rate each year beginning in 2031. Requires LIT revenue from a fire protection and emergency medical services rate adopted by a consolidated county to be distributed to the fire special service district established under the UNIGOV statute. Specifies that an included town that is part of the consolidated city under the UNIGOV statute is not a separate municipality for purposes of the LIT provisions enacted in SEA 1 in the 2025 session. Decouples the special purpose LIT rate for central Indiana public transportation projects from the LIT expenditure rate. (Under current law, the special rate for transportation projects is included in a county's total expenditure rate.) Repeals a provision regarding Marion County's allocation of LIT revenue. Expands the population threshold parameters under which a municipality may elect to be treated as if it were not eligible to adopt a municipal LIT (and instead potentially receive a LIT distribution under a county adopted LIT rate). Requires the population count for purposes of the LIT to include any federal special census count requested by a city or town. Makes changes to LIT distribution provisions. Restores the standard deduction for homestead property in the case of a homestead with an assessed value of \$125,000 or less, and retains the supplemental homestead deduction as enacted in SEA 1 in the 2025 session. Amends the calculation of the maximum levy growth quotient (MLGQ) to provide an increased MLGQ for those taxing units with assessed value growth over a three year average that exceeds 20%. Caps the total operating referendum tax that may be levied by a school corporation for referendums approved by the voters after December 31, 2025, to not more than the school corporation's maximum operating referendum tax levy in the immediately preceding year, multiplied by the maximum levy growth quotient. Removes project costs as a determination threshold under the controlled projects statute. Provides for an increase in the tax rate thresholds under the controlled projects statute based on any increase in a political subdivision's tax rate that results solely from the statutory changes to property tax deductions and exemptions enacted in SEA 1 in the 2025 session. Provides a property tax liability credit to freeze the homestead property tax liability for low income seniors. Repeals provisions enacted in SEA 1 in the 2025 session that require a political subdivision to hold a separate public hearing before increasing its tax levy from the preceding year. Reinstates provisions regarding excess tax levies that were repealed in SEA 1 in the 2025 session. Repeals the debt limitation for political subdivisions. Amends revenue distribution provisions for certain debt service levies to include the supplemental homestead credit and the local property tax credits for disabled individuals and seniors added in SEA 1 in the 2025 session for purposes of the distribution determination. Amends provisions added in SEA 1 in the 2025 session that require the department of local government finance to neutralize the effect of certain property tax provisions enacted in that bill. Clarifies provisions added in SEA 1 in the 2025 session that place restrictions on the issuance of certain general obligation bonds. Provides a property tax deduction for permanently disabled veterans based on the percentage of the permanently disabled veteran's service connected disability. Increases the maximum renter's deduction for income tax purposes from \$3,000 to \$6,000 per taxable year. Provides an income tax credit for first time home buyers with a mortgage applicable for the first taxable year in which the home buyer first takes ownership of a homestead with respect to which a first time home buyer mortgage is granted. Provides that the tax credit is equal to \$3,000 for that taxable year and may not be carried forward to a succeeding taxable year, carried back to a preceding taxable year, or refunded. Provides an income tax credit for households whose income is at or below 200% of the federal poverty guidelines for a household of its size. Provides that the tax credit is equal to \$3,000 for the taxable year and may not be carried forward to a succeeding taxable year, carried back to a preceding taxable year, or refunded. Provides an income tax credit for small businesses that make contributions to a qualified employee for use toward a qualified employee's cost for child care. Provides that the tax credit may not be carried forward to a succeeding taxable year, carried back to a preceding taxable year, or refunded. Provides an income tax deduction for theft losses that result from certain financial transactions induced by third parties and that cause the individual to incur federal gross income as a result of the theft. Requires the department of state revenue to first certify the theft loss deduction before a taxpayer may claim the deduction in a taxable year.

VARIOUS UTILITY MATTERS (QADDOURA F) Provides that a transaction involving the sale of utility service, as reflected in the total amount billed by a utility in a customer bill that is issued after December 31, 2026, is exempt

from the state gross retail tax. Provides that this exemption applies to: (1) the sale of electric, natural gas, water, or wastewater service; and (2) a customer bill issued by a utility after December 31, 2026, regardless of whether the bill includes any fees or charges for utility service provided to the customer before January 1, 2027. Repeals the sales and use tax exemption for certain data centers enacted in the 2025 session in HEA 1601. Provides that after March 14, 2026, the Indiana utility regulatory commission (IURC) may not issue a final order in a base rate case filed by an electricity supplier if the final order, once fully implemented, would result in an average increase of 3% or greater in the total monthly bill of a residential customer of the electricity supplier. Specifies that a municipality includes a consolidated city for purposes of the existing statute authorizing a municipality to purchase, condemn, and operate a utility in the municipality for the purpose of providing utility service to the municipality or the public: (1) without the consent of the IURC; and (2) even if a public utility is engaged in a similar service in the municipality. Provides that the existing statute prohibiting a municipality, public utility, or rural electric membership corporation from bringing an action against a public utility for the condemnation of the public utility's electric utility property does not apply to a municipality that seeks to purchase the electric utility property of a public utility for use of the property in providing electric utility service if: (1) the municipality and the public utility are unable to agree upon a price to be paid for the electric utility property; and (2) the municipality by ordinance declares that a public necessity exists for the condemnation of the electric utility property. Provides that a municipality that adopts such an ordinance may: (1) bring an action in the circuit or superior court of the county where the municipality is located against the public utility for the condemnation of the electric utility property; and (2) exercise the power of eminent domain in accordance with the existing eminent domain statute. Prohibits the IURC from issuing before July 1, 2028, a final order in a base rate case filed by an electricity supplier with the IURC, regardless of the date of filing of the electricity supplier's base rate case with the IURC. Provides that this provision expires July 1, 2028. Provides that existing law providing that the rates and charges of a municipally owned utility may include a reasonable return on the utility plant of the municipality if the legislative body of the municipality so elects does not apply to rates and charges established or amended by a municipal legislative body after March 14, 2026.

VARIOUS IMMIGRATION MATTERS (KOCH E) Provides that if a law enforcement officer, governmental body, or postsecondary educational institution is made a party to a civil suit and the attorney general determines that the suit has arisen out of certain acts, the attorney general shall defend the law enforcement officer, governmental body, or postsecondary educational institution throughout the action. Clarifies that the enforcement of federal immigration laws may be carried out by federal, state, or local law enforcement. Removes the mens rea standard in the statute concerning governmental bodies or postsecondary institutions violating the citizenship and immigration status information and enforcement of federal laws chapter. Provides that a governmental body that has the custody of an individual who is the subject of an immigration detainer request shall: (1) provide the judge authorized to grant or deny the individual's release on bail notice that the individual is subject to an immigration detainer request; (2) record in the individual's case file that the individual is subject to an immigration detainer request; (3) comply with the immigration detainer request; and (4) inform the individual that the individual is being held pursuant to an immigration detainer request. Provides immunity to a governmental body or an employee of a governmental body for any action taken concerning an immigration detainer request. Prohibits a political subdivision from taking certain actions to aid, assist, incentivize, or facilitate the migration of any alien or class of aliens into Indiana. Provides that if the attorney general determines that probable cause exists that a governmental entity has not complied with an immigration detention request, the attorney general may bring a court action to: (1) enjoin an act or practice constituting a violation of an immigration detention request; and (2) impose a civil penalty for noncompliance with an immigration detention request. Requires a judge who receives notice that an individual is subject to an immigration detainer request to ensure that the notice of the immigration detainer request is recorded in the court's record. Prohibits an employer from knowingly or intentionally recruiting, hiring, or employing an unauthorized alien. Provides that if the attorney general determines that probable cause exists that an employer has recruited, hired, or employed an unauthorized alien, the attorney general may enjoin the action and seek the suspension of the employer's operating authorizations. - SB127 LANDLORD-TENANT MATTERS (NIEZGODSKI D) Provides that a landlord may not sell a residential rental property that is subject to an unexpired written lease unless the landlord gives written notice to the tenant not less than 60 days before the landlord lists the property for sale, unless certain exceptions apply. Requires a buyer of a residential rental property to honor an unexpired written lease between the previous owner and a tenant unless the buyer of the residential rental property: (1) gives to the tenant, not less than 30 days before the lease is terminated, written notice that the buyer intends to terminate the lease; and (2) pays the tenant an amount equal to one monthly rental payment plus the full security deposit. For purposes of a residential rental unit, defines: (1) "essential services" as certain utility services needed for the safe and habitable occupation by a tenant of the tenant's rental unit; and (2) "essential systems" as certain systems used to deliver essential services to a rental unit. Requires a landlord to repair or replace an essential system not later than 48 hours after being notified by a tenant that the tenant's rental unit is without essential services as a result of: (1) a malfunction in the essential system; or (2) the landlord's failure to maintain the system in good and safe working condition. Provides that, during the pendency of a court action brought by a tenant to enforce a statutory obligation of a landlord, the court may order the tenant to make the regular rental payments otherwise due to the landlord under the rental agreement to: (1) the clerk of the court; or (2) an attorney trust account; to be held in trust for disbursement to the prevailing party, as ordered by the court. For purposes of the rights of tenants who are victims of certain crimes, provides that evidence showing a tenant engaged in a protected activity not more than six months before the landlord's alleged retaliatory conduct creates a rebuttable presumption that the purpose of the landlord's conduct was retaliation. Specifies the evidence a landlord may show to rebut the presumption. Requires a landlord to pay all penalties or fines imposed by a political subdivision for violation of the landlord's obligations with regard to a rental premises. - SB152 UTILITIES MATTERS (HUNLEY A) Allows an electric or gas utility to establish a customer assistance program for qualified residential customers. Requires the approval of the Indiana utility regulatory commission (IURC) before a public utility may sell stock, enter into certain contracts, effect a reorganization, or acquire control of another public utility. Provides that if a public utility requests IURC approval of the sale, assignment, or transfer of the public utility's franchise, works, or system, the IURC shall grant a right of first refusal to: (1) a municipality in which the public utility's works or system is located; or (2) a public charitable trust; for the purchase or acquisition of the public utility's franchise, works, or system. Provides that the IURC may not authorize a public utility that: (1) provides retail electric or natural gas service; and (2) is under the IURC's jurisdiction for the approval of rates and charges (energy utility); to recover through the energy utility's retail rates and charges any direct or indirect costs associated with specified expenses and activities related to lobbying, legislative action, political activities, charitable giving, litigation, investor relations, and other specified activities and expenses. Requires an energy utility, beginning in 2026, to file with the IURC an annual report that includes specified information concerning costs to: (1) the energy utility; or (2) an affiliate of the energy utility; that are related to these expenses or activities and that are directly billed or allocated to the energy utility. Requires the IURC to make available on the IURC's website a direct link to the annual reports provided by all energy utilities under these provisions. Provides that on any customer bill issued by an energy utility after December 31, 2026, the energy utility must include a break down of the charges and fees that make up the total amount owed, including a description of the service or cost associated with each charge or fee. Sets forth certain charges and fees that must be delineated as specific line items on each customer bill.

- SB153 UTILITY DISCONNECTIONS AND CUSTOMER DATA REPORTS (JACKSON L) Provides that beginning January 1, 2027, an electric or gas utility may not, from June 21 through September 23 (in addition to the period from December 1 through March 15, under current law), terminate residential electric or gas service for an individual who is eligible for and has applied for assistance from a home energy assistance program administered by the lieutenant governor. Prohibits an electric, gas, or water utility from terminating service for any residential customer on any of the following days: (1) A Friday, Saturday, or Sunday. (2) A legal holiday. (3) Any day, or after noon on the day preceding any day, during which customer service representatives of the utility are not available to respond to customer inquiries during regular business hours. Repeals a provision that authorizes the Indiana utility regulatory commission (IURC) to establish a reasonable rate of interest that a utility may charge on the unpaid balance of a delinquent customer bill. Prohibits an electric, gas, or water utility from charging or collecting a deposit or reconnection fee as a condition of, or in connection with, restoring service to a residential customer after a termination of service for nonpayment. Requires the IURC to amend, not later than December 31, 2026, its administrative rules as necessary to conform the rules to these provisions. Requires a utility to: (1) amend its residential tariffs as necessary to bring the tariffs into conformance with these provisions; and (2) file with the IURC a petition for approval of each amended tariff; not later than June 15, 2026. Requires a utility that: (1) is under the jurisdiction of the IURC for the approval of rates and charges; and (2) provides residential electric, natural gas, water, or wastewater utility service at retail to customers and low income customers in Indiana; to report to the IURC on a quarterly basis certain data concerning customer accounts and low income customer accounts. Provides that the first reports submitted to the IURC must include the required information with respect to the third calendar quarter of 2026. Provides that: (1) a utility shall report all required information in the aggregate and in a manner that does not identify individual customers and low income customers; and (2) the IURC may not require utilities to disclose confidential and proprietary business information without adequate protection of the information. Requires the IURC to adopt rules to implement these provisions. Provides that, beginning in 2027, the IURC shall annually compile and summarize the information received from utilities for the previous calendar year and include the summary in the IURC's annual report.

SB203 INDIANA ECONOMIC DEVELOPMENT CORPORATION (DEERY S) Requires the state board of accounts to act as the economic development ombudsman (ombudsman) for the Indiana economic development corporation (IEDC) and a nonprofit subsidiary of the IEDC (nonprofit subsidiary) and to designate an individual to serve as the ombudsman. Sets forth the ombudsman's duties, including the recommendation of policies to the general assembly concerning economic development and transparency matters. Allows the ombudsman (subject to the state examiner's approval) to employ or contract with assistants necessary to assist the ombudsman in carrying out the ombudsman's duties. Establishes circumstances under which the ombudsman is required to adopt a budget before the ombudsman's costs, including the costs of any assistants, in carrying out the ombudsman's duties are paid from appropriations made to the IEDC and when the ombudsman may bill the IEDC for those costs without using the budget procedure added by this bill. Provides for appointment to the board of the IEDC of two nonvoting, advisory members who are members of the general assembly. Requires the IEDC to establish a dashboard that includes longitudinal representations of certain economic development data derived from elements required to be included in the economic incentives and compliance report. Requires the IEDC to analyze the potential impact of a proposed economic development investment on the costs to provide the following utility services to ratepayers: (1) Water. (2) Wastewater. (3) Electricity. (4) Natural gas. Specifies that in performing the analysis, the IEDC must consider each of the following: (1) The existing utility

infrastructure available to serve the project. (2) Any new utility infrastructure needed to serve the project. (3) Water resource availability for the project. Provides that if a proposed economic development investment is projected to negatively impact ratepayers, the IEDC is required to develop and implement a mitigation plan. Allows the IEDC to consult with certain state agencies, utilities providing utility services to the project area, local units of government, and consumer and ratepayer advocates in performing the analysis and mitigation requirements added by this bill.
