

Fleet Maintenance Technician

City of Franklin / Reporting to the Street Commissioner

Hourly, Non-Exempt up to \$66,500

The City of Franklin is currently accepting applications for the position of Fleet Maintenance Technician.

We are looking for candidates who have recent, relevant and technical experience with previous years of working background as a fleet technician / mechanic working with the types of vehicles and equipment that are typically owned by a municipality. This position has been identified as heavy work, requiring an individual to be able to lift 40 lbs. for extended periods.

This position requires being able to diagnose and repair diesel/gasoline engines in a fleet. Perform scheduled and unscheduled preventative maintenance and repairs on department equipment and vehicles and maintain sufficient inventory to do so. High School diploma or equivalent required.

Must have a valid driver's license and must possess or be able to obtain a Class B CDL with air brake endorsement. Must have previous and recent specialized working knowledge of electronics, closed and open loop hydraulic systems is required for proper diagnosis and repair of equipment and vehicles in the fleet.

This is a representation of the job responsibilities but is not the full job description. Formal Applications may be obtained from City Hall or online [HERE](#). Resume and Completed Application may be sent to:
