

February 2026

Dear Colleague:

Please find enclosed the 2026 Indiana Municipal Management Association dues form. IMMA has held the line on membership costs in recognition of limited budgets, while continuing to expand the benefits available to you. Involvement in IMMA remains an invaluable resource for those of us in municipal management roles. Through platforms like the municipal managers listserv, the Association offers real-world solutions by facilitating the exchange of shared knowledge. IMMA also provides exceptional networking opportunities—even in challenging times, by leveraging technology for virtual meetings and events, all while delivering timely, relevant content to help you succeed in your important responsibilities.

This year, we are excited to host our **Annual Conference from April 29 to May 1 at the Potawatomi Inn Resort & Conference Center in Pokagon State Park**. Registration and hotel information will be available soon. Additionally, please save the date for the **IMMA Leadership Lunch on Thursday, September 8, in Plainfield**.

If you are already a member, your participation is deeply appreciated and has a lasting positive impact on the organization. If you haven't yet joined or have been inactive, I encourage you to become one of the more than 60 community leaders who benefit from the collective expertise of their peers. As municipal managers, others look to us for answers and leadership, IMMA needs your experience and insights.

In addition to strengthening our core professional manager membership, we are increasing efforts to recruit affiliate members. This will help build our leadership pipeline for future board roles and professional manager positions across Indiana. If you have a rising staff member, please consider registering them as an affiliate member to engage them early in their career.

A 50% dues discount is available for municipal renewals facing financial hardship, as well as for new affiliate memberships. IMMA has allocated \$1,000 for these discounts on a first-come, first-served basis. Requests must be submitted in writing by the Municipality Manager to Kyle Lubelski at [klubelski@aimindiana.org](mailto:klubelski@aimindiana.org)

Together, as IMMA members, we can connect, share successes, and learn from challenges, strengthening our administrations, developing future leaders, and uplifting our communities. I look forward to collaborating and growing with you.

On behalf of the Board of Directors, thank you for your dedication to municipal management and for your commitment to the communities across the great State of Indiana.

Sincerely,

Ben Lipps  
IMMA President  
Cumberland Town Manager  
On behalf of the IMMA Board of Directors
